Working Anger

John Ruskin

Working Anger:

Working Anger Ronald T. Potter-Efron, 1998 According to the Bureau of Justice Statistics each year almost one million people in the US are victims of violent crime while working Workplace violence has a high profile these days In fact each week in 1996 an average of 20 people were murdered and 18 000 others were assaulted while working or on duty In this book learn about the problems that arise when we fail to differentiate between conflicts at work and at home Get practical suggestions for preventing unnecessary conflicts and resolving disagreements when they do arise *The Psychology and Law of Workplace Violence* Irvin H. Perline, Jona Goldschmidt, 2004 The Psychology and Law of Workplace Violence examines the causes risk factors prevention and legal issues associated with workplace violence Previous attempts to explain these crimes are often only descriptive and do not identify the basic underlying psychological mechanisms and yet from the largest violent acts such as the September 11th Attack on America to the smallest violent workplace crime the psychological mechanisms are the same This landmark text offers a different perspective to the current concepts of workplace violence and will likely change the way people conceptualize violent crime Part One of the text identifies eight underlying factors responsible for these crimes identifies two necessary conditions for their occurrence and develops several significant new concepts related to the field Part Two discusses state and federal legal issues surrounding workplace violence Workers compensation employer liability and employer duties under negligence law hiring supervision and firing the legal aspects surrounding premises security employee privacy issues the ADA the Fair Credit Reporting Act and criminal history inquiries are but a few of the many legal topics discussed This section is written in a practical easy to understand manner and contains materials that are often available only in law libraries The final Part Three of the text is a compendium of workplace violence case histories and includes numerous nationally recognizable incidents along with many others that have not been widely publicized An interesting description of details surrounding each crime and its aftermath is included What happened to the perpetrator What happened to the victims In addition for many cases how the case relates to other cases and issues that have arisen from the case are discussed In this section which is the largest published compilation of case history material on workplace violence to date covers over

Working with Emotions in Psychotherapy Leslie S. Greenberg, Sandra C. Paivio, 2003-07-29 In previous books Leslie S Greenberg has demonstrated the importance of integrating emotional work into therapy and has laid out a compelling model of therapeutic change Building on these foundations WORKING WITH EMOTIONS IN PSYCHOTHERAPY sheds new light on the process and technique of intervention with specific emotions Filled with illustrative case examples the book shows clinicians how to identify a given emotion discern its role in a client's self understanding and understand how its expression is furthering or inhibiting the client's progress Of vital importance the authors help readers think more differentially about emotions to distinguish for example between avoided emotional pain and chronic dysfunctional bad feelings between adaptive sadness and maladaptive depression and between overcontrolled anger

and underregulated rage A conceptual overview and framework for intervention are delineated and special attention is given throughout to the integration of emotion and cognition in therapeutic work Experiencing and Managing Emotions in the Workplace Neal M. Ashkanasy, Charmine E. J. Härtel, Wilfred J. Zerbe, 2012-06-20 This volume contains a further selection of the best papers presented at the Seventh Emonet conference Montreal Canada August 2010 following on from Volume 7 and is augmented with invited chapters by leading scholars in the field It focuses on the experience dynamics and regulation of emotion and the emotionally intelligent organization Managing Anger in the Workplace Donald Gibson, Bruce Tulgan, 2002 Relationships at work tend to be interdependent competitive hierarchical overexposed and compulsory Keeping the interests of yourself your boss your peers your subordinates your vendors and your customers in alignment all the time is impossible Meanwhile you must also contend with competitors and unpredictable markets Thus for most people work involves a constant juggling of and wrestling with competing interests Whether the stakes are pecuniary psychological or both they are always on the line in every interaction at work While the workplace is an environment more likely to
