MISSION #1
Periscope - 10. Day 1

CLASSIFIED

BACKGROUND

The periscope you've been assigned has been specially placed in your room to help you spy on the neighbors of the top-down in the building. This allows you to see their clothes and other activities. You can use these items to make light rays reflect off to mirror at the top and bottom of the mirror. **How to use the periscope:** The mirrors inside are set at a specific 45 degree angle so when light enters the top window of the room, it bounces off the mirror and travels down the second mirror. When it hits the second mirror, it bounces straight across and out the top eye.

MISSION OBJECTIVE

Using your periscope to spy on the neighbors, what can you see? Can you see any "top" secrets? Can you see the image of the "top-down" window? Can you see the "top-down" window?
