Hiebert,2015 This one of a kind resource will be invaluable to every teacher educator every curriculum director and every literacy coach whether or not they must meet Common Core Standards Bringing together perspectives from literacy luminaries each addressing their specialty this book offers an accessible fund of rich practices in literacy instruction The book serves two purposes First it assembles a body of knowledge and wisdom from leading literacy researchers who each draw from a long career in the field

to address topics of central importance to good literacy instruction. Second, these research to practice leaders connect established best practices and foundational research to the current challenge of instruction to meet Common Core Standards and other rigorous curriculum guidelines.
