Tanni Sho Notes Lamenting Differences:

The Different Paths of Buddhism Carl Olson, 2005-01-06 For centuries Buddhist teachers and laypeople have used stories symbols cultural metaphors and anecdotes to teach and express their religious views In this introductory textbook Carl Olson draws on these narrative traditions to detail the development of Buddhism from the life of the historical Buddha to the present By organizing the text according to the structure of Buddhist thought and teaching Olson avoids imposing a Western perspective that traditional texts commonly bring to the subject The book offers a comprehensive introduction to the main branches of the Buddhist tradition in both the Mahayana and Theravada schools including the Madhyamika school the Yogacara school Pure Land devotionism Tibetan Tantric Buddhism Zen Buddhism and village folk Buddhist traditions Chapters explore the life and teachings of the Buddha in historical context the early development and institutionalization of Buddhism its geographic spread across Asia and eventually to the United States philosophy and ethics the relationship between monks and laity political and ethical implications the role of women in the Buddhist tradition and contemporary reinterpretations of Buddhism Drawn from decades of classroom experience this creative and ambitious text combines expert scholarship and engaging stories that offer a much needed perspective to the existing literature on the topic

Constructing Reality in Comparative Theology Paul S Chung, 2023-01-01 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world

Beyond Dialogue John B. Cobb Jr., 1998-07-30 Christian Reflection about other religions has often misinterpreted the truth of the other Ways The Roman Catholic Church and the World Council of churches stress that Christians can gain an appreciative understanding of other traditions only through meaningful dialogue with believers of other faiths This book however emphasizes the need for Christians to go beyond dialogue to reach for a mutual transformation of Christianity and other religions By way of example the author explores with originality the Christian encounter with Mahayana Buddhism He offer an original view of how Christianity and Buddhism can appropriately transform one another when both partners are truly respected as equal Both contributing both benefiting John Cobb boldly challenges us to hear in an authentic way the truth which the other has to teach us and to be transformed by that truth
