But it's easy to get busy, distracted, and overwhelmed. You beat yourself up and then focus on what you don't do. Just Take A Step points out what you can do. Each of the eight chapters of this devotional Bible study walk you through Lydia's story in Acts 16 like this: A Step into the Word, the scripture basis for the chapter; A Step into Understanding, a short narrative that explains the kind of step Lydia took; A Step of Truth, a summary of that step; A Step Deeper, additional questions for Bible study and discussion; A Step of Prayer, a prayer you can personalize; My Next Step, a place to note the next step God prompts you to take. Lydia's steps added up and led to a great movement of God. Your steps can too. You can use Just Take a Step individually or with a group. It's a Bible study guide you'll return to over and over to cut through distraction and overwhelm to just take a step to walk with God and see how He moves in your life.
