Tombstone Myth Reality:

Tombstone: Myth and Reality Odie B. Faulk, 1972 Tombstone Arizona in the years 1879 1883 was far more complex interesting and exciting than the legendary town perpetuated by Hollywood and television **Tombstone** Sean McLachlan, 2013-06-20 A detailed look at the true story of Wyatt Earp Doc Holliday the OK Corral and the Vendetta Ride

The Old West in Fact and Film Jeremy Agnew, 2012-11-08 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots **Borderline Americans** Katherine Benton-Cohen, 2009-04-30

Are you an American or are you not This is the question at the heart of Katherine Benton Cohen s provocative history which ties a seemingly remote corner of the country to one of America s central concerns the historical creation of racial boundaries

[A Wyatt Earp Anthology](#) Roy B. Young, Gary L. Roberts, Casey Tefertiller, 2019-08-15 Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in *A Wyatt Earp Anthology* an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence **Arizona** Thomas E. Sheridan, 1995 Thomas E Sheridan has spent a lifetime in Arizona living off it and seeking refuge from it He knows firsthand its canyons forests and deserts he has seen its cities

exploding with new growth and like many other people he sometimes fears for its future In this book Sheridan sets forth new ideas about what a history should be Arizona *A History* explores the ways in which Native Americans Hispanics and Anglos have inhabited and exploited Arizona from the pursuit of the Naco mammoth 11 000 years ago to the financial adventurism of Charles Keating and others today It also examines how perceptions of Arizona have changed creating new constituencies of tourists environmentalists and outside business interests to challenge the dominance of ranchers mining companies and

farmers who used to control the state Sheridan emphasizes the crucial role of the federal government in Arizona's development throughout the book As Sheridan writes about the past his eyes are on the inevitable change and compromise of the present and future He balances the gains and losses as global forces interact more and more with local cultural and environmental factors *Western Review*, 1972 [Crime, Justice and Retribution in the American West, 1850-1900](#) Jeremy Agnew, 2017-04-11 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging **Catalog of Printed Books. Supplement** Bancroft Library, *The Journal of Arizona History*, 2014 **Journal of the West** Lorrin L. Morrison, Carroll Spear Morrison, 1977 **Arizona Highways**, 1987 *Oklahoma Librarian*, 1973 **The Guide Post**, 1971 *America, Past and Present: To 1877* Robert A. Divine, 1987 *America, Past and Present: From 1865* Robert A. Divine, 1987 **The Times Literary Supplement**, 1982 [Abstracts of Folklore Studies](#), 1973 **Facts about the States** Joseph Nathan Kane, Janet Podell, Steven Anzovin, 1993 The first edition 1989 of this appealing popular reference is cited in ARBA 1990 Sheehy Suppl and we blush RandR Book News It provides a detailed yet concise portrait of every state as well as D C and Puerto Rico combining facts and statistics to profile the state's history economy population cultural development natural resources and political system Each chapter concludes with an extensive bibliography of nonfiction and reference volumes and an annotated list of literary works fiction memoirs and biographies in which the state and its people play a major role Included in this revised and updated edition are two new sections one covering the environment the other presenting unusual state facts For a broad audience Annotation copyright by Book News Inc Portland OR *A People & a Nation: Since 1865* Mary Beth Norton, 1990
