Sultans Bed:

The Sultan's Bed Laura Wright, 2008 **The Sultan's Bed (Mills & Boon Desire)** Laura Wright, 2011-11-01 Every day in court divorce attorney Mariah Kennedy pitted herself against rich ruthless men and usually won **The Sultan's Bed**, 2015 Mariah doesn't trust men. It doesn't help that her job has conditioned her to believe that all rich and handsome men are complete jerks either. When Zayad, a man with the imposing presence of a proud foreign king practically overflowing with confidence, moves in next door, Mariah can't help but feel hostility toward her new neighbor. However, when she takes a spill in the shower and is left unable to move, the one to hear her cries and come running to the rescue is none other than Zayad himself. He's the last person she wants to see her in this unsightly state. Ignoring her pleas not to enter the bathroom, Zayad mercilessly opens the door. *An Underground Education* Richard Zacks, 2010-10-06 The best kind of knowledge is uncommon knowledge. Okay, so maybe you know all the stuff you're supposed to know that there are teenier things than atoms that Remembrance of Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South American countries when we feel like it. But really, is this kind of knowledge going to make you the hit of the cocktail party or the loser spending forty-five minutes examining the host's bookshelves? Wouldn't you rather learn things like how the invention of the bicycle affected the evolution of underwear? Or that the 1949 Nobel Prize for Medicine was awarded to a doctor who performed lobotomies with a household ice pick? Or how Catherine the Great really died? Or that heroin was sold over the counter not too long ago? For the truly well-rounded intellectual, nothing fascinates so much as the subversive, the contrarian, the suppressed, and the bizarre. Richard Zacks' auto-didact extraordinaire has unloosed his admittedly strange mind and astonishing research abilities upon the entire spectrum of human knowledge, ferreting out endlessly fascinating facts, stories, photos, and images guaranteed to make you laugh, gasp in wonder, and occasionally shudder at the depths of human depravity. The result of his labors is this fantastically illustrated quasi-encyclopedia that provides alternative takes on art, business, crime, science, medicine, sex, lots of that, and many other facets of human experience. Immensely entertaining and arguably enlightening, *An Underground Education* is the only book that explains the birth of motion pictures using photos of naked baseball players. Richard Zacks is the author of *History Laid Bare: Love, Sex, and Perversity from the Ancient Etruscans to Warren G. Harding*, which was excerpted in classy magazines like *Harper's* and earned the attention of the even classier *New York Times*, which noted that Zacks specializes in the raunchy and perverse. The Georgia State Legislature voted on whether to ban the book from public libraries. He has studied Arabic, Greek, Latin, French, Italian, and Hebrew and received the Phillips Classical Greek Award at the University of Michigan. He has also told his publisher that he made a living in Cairo, cheating royalty from a certain Arab country at games of chance, although the claim remains unverified. His writing has appeared in the *New York Times*, *The Atlantic Monthly*, *Time*, *Life*, *Sports Illustrated*, *The Village Voice*, *TV Guide*, and similarly diverse publications. Zacks is married and busy warping the minds of his two children.

Georgia and Ziegfeld He resides in New York City and can be reached via e mail at rzacks echonyc com *THE SULTAN'S BED* Laura Wright, Azusa Kurokawa, 2015-01-19 Mariah doesn't trust men It doesn't help that her job has conditioned her to believe that all rich and handsome men are complete jerks either When Zayad a man with the imposing presence of a proud foreign king practically overflowing with confidence moves in next door Mariah can't help but feel hostility toward her new neighbor However when she takes a spill in the shower and is left unable to move the one to hear her cries and come running to the rescue is none other than Zayad himself He's the last person she wants to see her in this unsightly state Ignoring her pleas not to enter the bathroom Zayad mercilessly opens the door *Oriental Anecdotes of the Ancient Sultans of One, Two and Three Centuries Past, Related by a Turk, Mehemed Effendi*, 1873 *The Sultans* Noel Barber, 1973 The subject of this vast astonishing and brilliantly readable work of history is the bizarre story of the Ottoman Empire seen through the lives and actions of its sultans with their absolute power and terrifying cruelty their love of pomp and magnificence and their overwhelming venality and corruption The author describes the men the events the daily life the strange customs of Turkey's court from her emergence as a great power in the sixteenth century to the death of Kemal Ataturk who overthrew the Sultanate to establish a new and more modern form of tyranny This book is a unique and fascinating record of four centuries of glory debauchery splendor and cruelty from inside jacket flap **Vlachica** Mirela Roznoveanu, 2021-06-20 Who are the Vlachs For the first time Mirela Roznoveanu has put Europe's original people her people on the map Living for millennia hidden high in the Balkan and Dalmatian mountains above the shifting tides of empires the Vlachs or Armans have fiercely guarded the unity in variety of their ancient way of life Their long silence breaks at last overflowing with mythology history landscape folklore food customs clothing music magical realism intrigue passion cruelty poetry tragedy and comedy Vlachica is a force of nature total immersion in a rich lost world *Women in Early Modern Venetian Art* Sabrina DeTurk, 2026-03-09 Through several case studies this book suggests ways in which the art of early modern Venice particularly its paintings may be interpreted through a hybrid analysis of their visual form and social context to expand our understanding of women as active participants in the social intellectual economic and political life of the early modern Republic In the same way that the urban character and identity of early modern Venice can be seen as liminal and changeable the art of the city also evinces a mutability a way in which images are never exactly what they seem to be This Sabrina DeTurk argues is particularly true in reference to the representation of women in the art of fifteenth and sixteenth century Venetian art Chapters allow the artworks along with other objects of material culture to enter into new conversations with each other with their original audiences and with contemporary viewers in ways that allow a fuller understanding of the complex and sometimes contradictory nature of women's lives in Renaissance Venice This book will be of interest to scholars working in art history gender studies and Renaissance studies **Oriental Panorama** Reinhold Schiffer, 2023-11-20 The series IFAVL International Research in General and Comparative Literature is a platform for peer reviewed scholarly research in
