**Dad's Custody Edge** Ashley L. Johansen, 2026-02-10 When custody turns hostile love alone is not enough to protect your relationship with your children Many fathers enter divorce believing that fairness honesty and good intentions will carry weight in family court Instead they encounter a system that rewards documentation consistency and emotional control while quietly punishing reactivity frustration and unpreparedness Dad s Custody Edge was written for fathers who refuse to lose time with their children simply because they didn t understand the rules of the game This is not a book about venting or blame It is a strategic playbook Fathers don t lose custody because they lack love They lose custody because they react emotionally communicate impulsively and fail to document their involvement in ways courts recognize as credible evidence Angry texts social media posts missed routines and poorly handled conflict are routinely weaponized often long before a father realizes what went wrong Once early mistakes are made the damage is difficult to reverse This book exists to stop that from happening Inside this step by step guide you will learn how to Shift from emotional reaction to disciplined legal positioning Understand how family courts actually evaluate fathers Build a court ready father profile based on stability and consistency Document parenting time conflict and involvement with legal weight Communicate using judge friendly language that protects credibility Neutralize gatekeeping and false allegations without escalation Protect visitation during the critical temporary orders phase Demonstrate readiness for 50 50 custody through action not promises Avoid the most common mistakes that permanently reduce parenting time Every strategy is designed to be immediately actionable even under intense emotional pressure Unlike generic divorce books Dad s Custody Edge does not rely on theory or wishful thinking It shows you how to operate like the parent courts trust calm organized predictable and child focused You learn how to think several moves ahead how to avoid traps designed to provoke you and how to create a clean evidentiary record that speaks louder than accusations ever could This guide is ideal for fathers facing high conflict divorces manipulative co parenting dynamics or custody disputes where the stakes are nothing less than daily access to their children You are not powerless You simply need the edge Custody battles are not won by outrage or explanations They are won by preparation discipline and strategy Stop reacting Start positioning yourself to win what matters most Order your copy of Dad s Custody Edge today and begin protecting your parental rights securing maximum visitation and building a future where your role as a father is no longer negotiable

Rural Manhood, 1918 *Calling Home* Janna McMahan, 2008-02-01 From an extraordinary new voice in fiction comes a haunting powerful novel about mothers and daughters choice and regret the mistakes we make and the ones we hope we can correct before it s too late Nothing much ever happens in Falling Rock Kentucky So when Virginia Lemmons husband takes off in his Trans Am to take up with a beautician there s not much to do but what people in rural Kentucky have always done get on with it Now overwhelmed and unsure Virginia s got her hands full trying to keep it together body and soul while

raising her two teenage kids eighteen year old son Will and her spirited fourteen year old daughter Shannon But Shannon has her own ideas for breaking free of Falling Rock and in her reckless wild child daughter Virginia sees echoes of herself and her own painful past She'll do whatever it takes to keep her daughter from making the same tragic mistakes and saving what's left of her fragile family just may be the biggest fight of Virginia's life In this compelling heartbreaking first novel Janna McMahan brings to authentic life the dreams passions and troubles of one southern town where choice isn't always easy to come by and living the hand you're dealt with is a grace all its own A beautifully wrought novel populated by a vivid cast of characters Janna McMahan takes us completely into the lives of these people and their small town presenting this world with authenticity and dignity I absolutely loved this book and will carry it with me for a long time Silas House
