

# The Wise Virgin

**ML Morrison**

## **The Wise Virgin:**

*Picturing Women in Late Medieval and Renaissance Art* Christa Grössinger, 1997 This extensively illustrated book discusses the representation of women in the art of the late Middle Ages in Northern Europe Drawing on a wide range of different media but making particular use of the rich plethora of woodcuts the author charts how the images of women changed during the period and proposes two basic categories the Virgin and Eve good and evil Within these however we discover attitudes to sinful foolish married and unmarried women and the style and use of these images exposes the full extent of the misogyny entrenched in medieval society

**The Girl Reserve Movement, a Manual for Advisers** Young Women's Christian Association of the U.S.A., 1923

*Picturing the 'Pregnant' Magdalene in Northern Art, 1430-1550* Penny Howell Jolly, 2016-12-05 Examining innovations in Mary Magdalene imagery in northern art 1430 to 1550 Penny Jolly explores how the saint's widespread popularity drew upon her ability to embody oppositions and embrace a range of paradoxical roles sinner prostitute and saint erotic seductress and holy prophet Analyzing paintings by Rogier van der Weyden Quentin Massys and others Jolly investigates artists and audiences responses to increasing religious tensions expanding art markets and changing roles for women Using cultural ideas concerning the gendered and pregnant body Jolly reveals how dress confirms the Magdalene's multivalent nature In some paintings her gown's opening laces betray her wantonness yet simultaneously mark her as Christ's spiritually pregnant Bride elsewhere undress reconfirms her erotic nature while paradoxically marking her penitence in still other works exotic finery expresses her sanctity while celebrating Antwerp's textile industry New image types arise as when the saint appears as a lovesick musician playing a lute or as a melancholic contemplative longing for Christ Some depictions emphasize her intercessory role through innovative pictorial strategies that invite performative viewing or relate her to the mythological Pandora and Italian Renaissance Neoplatonism Throughout the Magdalene's ambiguities destabilize readings of her imagery while engaging audiences across a broad social and religious spectrum

**Listen Daughter** Constant J. Mews, 2016-04-30

The words Listen daughter Audi filia from Psalm 44 in the Latin Vulgate were frequently used in exhortations to religious women in the twelfth century This was a period of dramatic growth in the involvement of women in various forms of religious life While Hildegard of Bingen 1098-1179 has become widely known in recent years as one of the most eloquent and original

voices of the period she is often seen as a figure in isolation from her context She lived at a time of much questioning of traditional models of religious life by women as well as by men This volume introduces readers to a range of strategies provoked by the growth in women s participation in religious life in one form or another as well as to male responses to this development In particular it looks at the Mirror for Virgins Speculum Virginum an illustrated dialogue between a nun and her spiritual mentor written by a monk not long before Hildegard started to record her visions While this treatise engages in dialogue with a fictional virgin other writings present women not just Hildegard as teaching both women and men An appendix will provide the first English translation of significant excerpts from the Speculum as well as from other little known texts about religious women from the age of Hildegard The underlying concern of this volume is to examine new ways in which religious life for women was conceived by men as well as interpreted in practice by women within a society firmly patriarchal in character

Missal for the Laity Containing the Masses of the Sundays and Festivals of the Year Catholic Church,1884     **The lesser hours of the Sarum Breviary, tr. and arranged according to the kalendar of the Church of England [by H.G.W.]** Catholic Church,1889     **Abbot Suger and Saint-Denis** Paula Lieber Gerson,1986 Suger abbot of the French abbey of Saint Denis lived from 1081 to 1151 This book of essays about his life and achievements grew out of a symposium sponsored by the International Center of Medieval Art and by Columbia University For the symposium twenty three medieval scholars from all parts of the world representing a wide range of humanistic disciplines were brought together to discuss the varied nature of Suger s activities Suger has been best known for his contributions as a patron of art and architecture As the essays in this volume devoted to Suger s political activities and historical writings demonstrate he was in addition to being a brilliantly innovative patron of architecture an important architect of the French state Only by bringing together differing humanistic perspectives on Suger and Saint Denis has it been possible to achieve for the first time a fully rounded appreciation of a man who was at the same time a patron of the arts and literature a politician who adroitly used his ecclesiastical position to enhance the growth and power of the monarchy and a churchman consistently devoted to the promotion of the cult of Saint Denis the patron saint of his abbey and of France From publisher s description     Text Arthur Kingsley Porter,1923     **The Parables of the Gospel** Leopold Fonck,1918     A Dictionary of Christian Antiquities William Smith,Samuel Cheetham,1880     *Studies in the Scriptures* Charles Taze Russell,1911

## Reviewing **The Wise Virgin**: Unlocking the Spellbinding Force of Linguistics
