## **World Evolution:**

**Annual Report of the Board of Regents of the Smithsonian Institution** Smithsonian Institution. Board of Regents,1922      **The Mystery of the Resurrection in the Light of Anthroposophy** Sergei O. Prokofieff,2010 We live today at a time when the full mystery of the Resurrection body can become manifest to human beings out of the inspirations of Michael This was accomplished by Rudolf Steiner not just in a theoretical sense but also practically and came about through the establishing of a path accessible to all human beings which leads to a union with the forces of the Resurrection body Sergei Prokofieff approaches the deepest mysteries of the Turning Point of Time the Christ event through Rudolf Steiner s spiritual research At its heart stands the question of the restoration of the phantom of the physical body and its transformation into the resurrected body of Christ through the Mystery of Golgotha The author draws a broad and differentiated picture of the tasks and possibilities that the Easter event as well as Ascension and Pentecost present both for the individual and humanity The final chapter considers the mystery of Easter Saturday through which the two polar aspects of the Mystery of Golgotha death and resurrection interconnect also explaining the relationship between the Earth Spirit and the interior of the Earth An appendix tackles the phenomenon of stigmatization from a spiritual scientific perspective

**Foundation Stone Meditation** Sergei O. Prokofieff,2006 Meditative reflection strengthening thinking and feeling through the will is one of the main methods of experiencing Anthroposophy Prokofieff writes The best path to this goal is inner work with the Foundation Stone Meditation because this meditation is the quintessence of the whole of Anthroposophy given in meditatively inspired form by means of earthly words Rudolf Steiner described the substance of the Foundation Stone Meditation as spoken by him out of the will of the spiritual world and as verses heard from the Cosmic Word Owing to its spiritual and mantric form the text of this meditation represents an archetype and is thus a key to the most diverse areas of world and human existence Depending on which spiritual portal is opened with this key explains Prokofieff one arrives at one result or another and one and the same line of the meditation becomes a reply to the most varied questions The author applies this method in this work and in the process illuminates and opens up many dimensions of spiritual science His research embraces among other aspects the relationship of the Foundation Stone Meditation to the being Anthroposophia the spiritual hierarchies human karma the Rosicrucian Michaelic and Grail streams the Mystery of Golgotha the two Jesus children the three spiritual sources of Anthroposophy and even the Constitution of the General Anthroposophical Society

**The Third Cosmology** Joseph Zammit,2015 To know the future you must know the present To know the present you must know the past To know the past you must know it all To know it all you must know the Third Cosmology All of the knowledge and practices in the world today fall into either the Old Cosmology or the New Cosmology The Old Cosmology reflects a spiritual or religious view of the world the world of the past Here human society is structured and maintained according to a spiritual or religious interpretation of the world The New Cosmology reflects a material or scientific view of

the world the world of the present Here human society is structured and maintained according to the scientific interpretations of the world Western civilisation is a hybrid made up of the knowledge and practices drawn from the Old and New Cosmologies It is now in the autumn period of its cycle and is slowly moving into the winter period Western civilisation has reached an impasse and is in crisis The Third Cosmology reflects a different view of the world the world of the future If this cosmology was to come into the world it would replace the existing cosmologies bringing together the past and the present and taking us on into the future For humanity to survive now and into the future the Third Cosmology must come into the world
