*The Trinity* John M. Farrelly, 2005-01-04 The mystery of the Trinity is the central Christian belief that defines God s essence God s ongoing love for humanity and saving grace Yet over the past few centuries especially in the West Christians have either ceased believing in the Trinity or simply no longer recognize its relevance in their ecclesial or individual lives Written in an ecumenical spirit that engages contemporary questions and theological viewpoints *The Trinity Rediscovering the Central Christian Mystery* articulates the mystery of the Trinity for people formed by modern historical consciousness science awareness of the equal dignity of men and women and respect for world religions By first identifying contemporary problems with the Christian proclamation of the Trinity in our culture and major differences among modern theologians John Farrelly OSB explores

Scripture the life and message of Jesus Christ the various stages of the development of Trinitarian doctrine in Christian History the relation of the Trinity to creation and salvation the generation of the Son from the Father within the Trinity and the procession of the Holy Spirit from Father and Son and the meaning of three persons in one God He concludes by reflecting on the implications this renewed theology of the Trinity has for ecclesiology and Christian spirituality in our twenty first century world especially in relation to other world religions

**The Trinity** Hans Schwarz,2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today

**Trinity Guide to the Trinity** William J. La Due,2003-01-01 Provides a brief and comprehensive introduction to the mystery of the Trinity tracing the evolution of the doctrine from its Old Testament roots to its contemporary expressions Original

**The Trinity** Thomas Joseph White,Thomas Joseph White, OP,2022-03-11 The Trinity is the central mystery of the Christian faith What can we say about the divine nature and what does it mean to say that God is Father Son Holy Spirit three persons who are one in being In this book best selling author Thomas Joseph White OP examines the development of early Christian reflection on the Trinity arguing that essential contributions of Patristic theology are preserved and expanded in the thought of Thomas Aquinas By focusing on Aquinas theology of the divine nature as well as his treatment of divine personhood White explores in depth the mystery of Trinitarian monotheism The Trinity On the Nature and Mystery of the One God also engages with influential proposals of modern theologians on major topics such as Trinitarian creation Incarnation and crucifixion and presents creative engagements with these topics Ultimately any theology of the cross is also a theology of the Trinity and this book seeks to illustrate how the human life death and resurrection of Jesus reveal the inner life of God as Trinity

**The Trinity As Revealed in the Old Testament** Ford Wilson,2007-03 Knowing God and His attributes how He saves and answers prayer is foundational to all truth and eternal life Section one deals with proper attitudes we bring to the Old Testament text knowing it is God s self revelation Section two points out passages where two Persons manifest divine attributes or are called God Jehovah or Lord and Who is the Angel of the Lord Section three explains the texts where three

**Writings on the Trinity, Grace, and Faith** Jonathan Edwards,2003-01-01 In this collection of writings drawn from Jonathan Edwards s essays and topical notebooks the great American theologian deals with key Christian doctrines including the Trinity grace and faith The volume includes long established pieces in the Edwards canon newly reedited from the original manuscripts as well as documents that have never before been published and that in some cases reveal new aspects of his theology The Trinity in the New Testament Arthur W. Wainwright,2001-08-13 It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when their successors reflected on the faith by which they were living Mr Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors His conclusion based upon a meticulous examination of the evidence is that although they made no formal statement of the doctrine the problem was present in their minds and that they were seeking to answer it So in so far as doctrine is an answer to a problem the doctrine of the Trinity emerges in the New Testament and is far from being a speculation inessential to the Christian message **Making Sense of the Trinity** Millard J. Erickson,2000-05 This user friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity **Understanding the Trinity** Alister E. our individual conduct to church life even to worldview government justice and our concepts of communication
