## **The Time Of Miracles:**

**The Time of Miracles** Borislav Pekić,1994 Borislav Pekić spent six years in jail as a political prisoner his only reading material the Bible In 1965 ten years after his pardon his first novel The Time of Miracles was published and became an overnight sensation A set of parables based on the miracles of the New Testament the book rewrites the story of Jesus from the perspective of Judas who is obsessed with the idea prophecy must be fulfilled and from that of the individuals upon whom miracles were performed without their consent and in most cases to their eventual dissatisfaction Filled with humor and poignancy The Time of Miracles is a trenchant commentary on the power of ideology in one s life upon what it means to hold beliefs and upon the nature of faith The Time of Miracles Borislav Pekić,1976 The book is about the power of dogma and ideology and about the ways in which the individual is either forced to submit to a powerful set of institutionalized ideas or in some cases compelled to lose his own individuality in order to extend the power of a particular belief system In The Time of Miracles Pekić rewrites the events of the New Testament not from the point of view of the followers of Jesus but from that of Judas who is obsessed with the idea that prophecy must be fulfilled and from that of the individuals upon whom miracles were performed without their consent and in most cases to their eventual dissatisfaction The book is filled both with irony and humor and with poignancy and sadness Above all however it is a means to hold a particular set of beliefs and upon the nature of faith itself Publisher 10 Questions about Prayer Every Christian Must Answer Elmer L.
