History of Fantasy Farah Mendlesohn, Edward James, 2012-06-27 Some of the earliest books ever written including The Epic of Gilgamesh and the Odyssey deal with monsters marvels extraordinary voyages and magic and this genre known as fantasy remained an essential part of European literature through the rise of the modern realist novel Tracing the history of fantasy from the earliest years through to the origins of modern fantasy in the 20th century this account discusses contributions

decade by decade from Tolkien's Lord of the Rings trilogy and Lewis's Narnia books in the 1950s to J K Rowling's Harry Potter series. It also discusses and explains fantasy's continuing and growing popularity.

*Fantasy and the Real World in British Children's Literature* Caroline Webb, 2014-09-15. This study examines the children's books of three extraordinary British writers: J K Rowling, Diana Wynne Jones, and Terry Pratchett, and investigates their sophisticated use of narrative strategies not only to engage children in reading but to educate them into becoming mature readers and indeed individuals. The book demonstrates how in quite different ways these writers establish reader expectations by drawing on conventions in existing genres only to subvert those expectations. Their strategies lead young readers to evaluate for themselves both the power of story to shape our understanding of the world and to develop a sense of identity and agency. Rowling, Jones, and Pratchett provide their readers with fantasies that are pleasurable and imaginative but far from encouraging escape from reality; they convey important lessons about the complexities and challenges of the real world and how these may be faced and solved. All three writers deploy the tropes and imaginative possibilities of fantasy to disturb, challenge, and enlarge the world of their readers.

*Humor in Young Adult Literature* Walter Hogan, 2005-01-20. Celebrates the accomplishments of YA authors acclaimed for producing high quality comedies who have not yet been treated in a book-length bio-critical study. Simultaneously, it reminds readers that no matter how funny an author of fiction may be if he shows off his wit in ways that fail to play a natural role in advancing his narrative, he is not writing good fiction. To demonstrate this, humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction. The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events such as sibling rivalry, bullies, and first dates.

*Four British Fantasists* Charles Butler, 2006-04-25. *Four British Fantasists* explores the work of four of the most successful and influential fantasy writers of the generation who rose to prominence in the second Golden Age of children's literature in Britain: Susan Cooper, Alan Garner, Diana Wynne Jones, and Penelope Lively. Drawing on history, archeology, social geography, anthropology, and postcolonial theory, as well as literary criticism, Butler provides a series of new perspectives through which to view these writers' achievements. He begins by highlighting some points of biographic coincidence: e.g., all four authors were children during WWII, all were born within a year or two of each other, and all attended Oxford University in the early 1950s, when C S Lewis and J R R Tolkien were publishing their seminal fantasies, and questions if these factors play any significant role in the development of these fantasy writers. The author then uses this question as the springboard for a case study in the assessment of biographical and literary influence. The book also considers the role played by Britain itself in determining the shape and preoccupations of these writers' fiction. Britain is a land with a long history in which contemporary life is constantly juxtaposed with evidence of the past in the form of ancient buildings, historic sites, and archeological remains. By placing the work of Cooper, Garner, Jones, and Lively in the context of British culture and of their own time, Butler provides a key to their fascination with history, mythology, and magic, and to the ways in which that

fascination has found expression in their fiction Students of children s literature and of fantasy literature as well as readers who are interested in the lives of these four subject authors will find this an insightful read *The Sex Column and Other Misprints* David Langford,2005-07-01 A collection of columns by the author some previously published in SFX magazine

**The Rough Guide to Hong Kong & Macau** David Leffman,Jules Brown,2009-10-19 Explore every corner of two of Asia s most exciting destinations with the fully revised seventh edition of the Rough Guide to Hong Kong and Macau From shopping on The Golden Mile to the Ten Thousand Buddha s Monastery inspired by dozens of photos the 20 page full color introduction highlights all the things not to miss The guide includes author s pick section of the very best hotels and restaurants plus up to date listings of all the top bars clubs and shops to suit all budgets The section on Macau has been completely revised and extended and there are detailed chapters on Hong Kong s background from post handover politics to feng shui and Chinese Astrology The guide comes complete with maps and plans for both regions Science-fiction Studies ,2007 *The Magazine of Fantasy & Science Fiction* ,2007 Foundation ,1997 The Greenwood Encyclopedia of Folktales and Fairy Tales: G-P Donald Haase,2008 Provides alphabetically arranged entries on folk and fairy tales from around the world including information on authors subjects themes characters and national traditions The Year's Best Science Fiction Gardner Dozois,1997-05 The definitive annual anthology in the science fiction field In this mammoth book Dozios has once again assembled a fine mixture of new talent and well known writers including Lucius Shepard Robert Silverberg Kim Stanley Robinson and more *Wizard's Castle* Diana Wynne Jones,2002 Howl s moving castle Eldest of three sisters in a land where it is considered to be a misfortune Sophie is resigned to her fate as a hat shop apprentice until a witch turns her into an old woman and she finds herself in the castle of the greatly feared Wizard Howl Castle in the air Having long indulged himself in daydreams more exciting than his mundane life as a carpet merchant Abdullah unexpectedly purchases a magic carpet and his life changes dramatically as his daydreams come true and **Kliatt Young Adult Paperback Book Guide** ,1999 **Analog Science Fiction & Fact** ,1999 **Piratica II** Tanith Lee,2008-04-17 Art Blastside is bored with life ashore so she jumps at the chance to return to sea Women in Science Fiction and Fantasy [2 Volumes] Robin Anne Reid,2008-12-30 Examines women s contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and music *Projections* Lou Anders,2004 Examines the history and people the science and the society the lives times and themes the cultural impact and the critical response of the dynamic genre that is speculative fiction
