## **The Treasure Box:**

**The Treasure Box** Penelope J. Stokes, 2008-07-27 Vita Kirk is a travel writer who has never left her hometown. In fact, she rarely leaves her house. Due to deep wounds and bitter losses, Vita has chosen isolation over vulnerability. But when she stumbles across an antique chest in a hole in the wall boutique, she discovers a puzzling link to her past, and her physical surroundings mysteriously begin to change. Inscribed in the treasure chest are the words "Love is the key that unlocks every portal." The power of these words prove to unlock a part of Vita she thought had died years ago. Stories like this go by many different names: fantasy, time shift, magical realism. Some are overtly Christian or religious in nature, others are not. But from a spiritual perspective, the common thread in all these works is the redeeming, transforming power of God's grace, not only to alter the future but to change our understanding of the past. Penelope Stokes *The Treasure Box* Vincent J.

Masters, 2025-11-13 What I hope people will get out of this book is the message that no matter what you are going through or went through, you are not alone. The Lord treasures all that has happened in your life and truly cares about you. He knows what your pain felt like because he went through it with you. He also knows what it feels like to be alone. That's why he will never leave you or forsake you. I never understood beauty for ashes until he took me to Isaiah 61 when I was mourning the loss of my little sister. I realized this is how God must have felt when he gave up his only son for us. This left me with something to think about. I hope it leaves you with the same thought. [The Treasure Box](#) Dave Keane, 2022-01-11 A poignant, gorgeously illustrated story about a girl's bond with her grandfather and how it evolves after his death. Searching for treasures with her grandpa is this young girl's favorite thing to do. Every week they examine the items in her secret box and go on walks to find more: a broken robin's egg, a rusty spring, even a snakeskin that makes Grandpa squirm and make funny faces. But then Grandpa is too sick to come. She leaves him a few treasures in the hospital, but when he dies, she can't bring herself to even open the treasure box. When Grammy brings her some treasures, Grandpa wanted her to have them, they open the box together and continue the tradition, showing that memories of time together are the greatest treasures of all. This poignant, gorgeously illustrated story celebrates the special bonds kids have with grandparents, even after they are gone.

**The Heart of the Treasure Box** Frank Nino, IV, 2024-11-28 The Heart of the Treasure Box is a heartwarming children's story about Carlos, a curious and adventurous boy from Guatemala who moves to Oakland, California, with his family. Though his adventurous spirit sometimes leads him astray, Carlos's life changes when he becomes a father to a little girl named Christina. Inspired by her love, Carlos works hard to turn his life around and builds a special bond with her through their shared adventures. To show Christina how much she means to him, Carlos creates a Treasure Box of Love, filling it with keepsakes, letters, and a book he writes just for her called *The Apple of My Eye*. The story celebrates themes of love, redemption, and family, teaching young readers the importance of cherishing the people who matter most. Perfect for children.

and families this inspiring tale reminds readers that love can guide us through life's challenges and that the best treasures are the memories and connections we create together
