There Were Giants Those Days:

There Were Giants on the Earth in Those Days... and Also After That Roberta Sams,2015-01-26 What I appreciate about There Were Giants on the Earth in Those Days and Also After That is that it is not only intelligible but is enjoyable to read It doesnt require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers It tells what is going to happen in the future The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ Subjects like giants in the land the flood false religions Islam secret societies UFOs and others are discussed The Federal Reserve and HAARP by which they are trying to control the weather the Rapture the new world order the mark of the beast and the Antichrist are all dealt with according to the Word of God I recommend the entire book be read in order to experience the benefits of the authors laborious efforts to cover the past the present and the future of our world Rev David Lathrem associate pastor Lee Boulevard Baptist Church *The entire works of John Bunyan, ed. by H.
