

Hope can be a powerful force.

Maybe there's no actual magic in it,
but when you know what you hope
for most and hold it like a light within
you, you can make things happen,
almost like magic.

The Rejected Hybrid and His Luna Luna Scribe, 2025-12-13 Now I know why he left me I am a coward I can t even take my life I can t do anything worthwhile I told the air shamefully I attempted to move away from the edge but my leg slipped My hands were flaying my eyes bulging a scream Lodged in my throat refusing to be let out fear held me in his grip Is this it I thought as I watched the edge on which I once stood get farther and farther

away from me my life unfolding before me I forced my eyes close deciding to accept my fate I mean I had no other option then I stopped I stopped falling and from the pull on my leg I guess it wasn't my supernatural strength surfacing because I was dying I tried opening my eyes to see my savior but at that moment those hands pulled me up roughly and I banged my head against the walls and blanked out After sacrificing everything for love Leah's world shattered when her husband's betrayal left her lost and pregnant Rescued from the brink of despair by a mysterious stranger she's given a second chance But as dark rumors surround her savior Leah wonders has she escaped the darkness or merely traded one shadow for another

The Shadow Alpha's Rejected Mate Jennifer Hazel, 2026-01-24 He claimed me in darkness shattered my world then vanished leaving me with his secret growing inside me Six years later my son is slipping away and the only wolf who can save him just walked back from the grave I had three rules working at Ravenwood Hollow clinic Keep my head down Trust no one Never let my brother discover my wolf Then Declan Foster stormed through those doors All muscle fury and golden eyes that saw straight through me My wolf screamed the truth before I could run Mate We clashed like fire and ice He thought I was weak I thought he was dangerous But late one night trapped together during a storm He pinned me against the wall and sank his teeth into my skin Whispering You're mine now This mark is my revenge I didn't understand Not until I learned the truth My brother killed his pack And Declan marked me to destroy us both But his touch felt like heaven His kiss tasted like forever And when I ran from my brother's compound with Declan's baby in my belly The last thing I heard was gunfire and Declan's body hitting the ground I buried that night Buried him Raised our son alone Until six years later when my little boy started dying And the doctors said only his father's Alpha blood could heal him But Declan's dead Buried Gone So why is he standing in my son's hospital room right now Breathing alive and staring at me like he never stopped hunting me They told me he died that night They lied And now he's back for me for our son and for the revenge he never finished A scorching enemies to lovers werewolf romance packed with fated mates a secret baby deadly pack politics and a second chance at the love that was stolen from them both
