The Popular Educator Anonymous, 2025-08-22 Reprint of the original first published in 1858 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Giovanni Gentile and the State of Contemporary Constructivism* James Wakefield, 2015-02-12 This book presents Giovanni Gentile's actual idealism as a radical constructivist doctrine for use in moral theory The first half describes the moral theory that Gentile explicitly identifies with actual idealism according to which all thinking rather than an exclusive domain of practical reason has a moral character It is argued that after Gentile's turn to Fascism in the early 1920s this theory is increasingly conflated with his political doctrine This entails several major changes that cannot be squared with the underlying metaphysics The second half of the book develops a more plausible account of Gentilean moral constructivism based on the pre-Fascist idea of reasoning as an internal dialogue Comparisons and contrasts are drawn with contemporary constructivist doctrines as well as theories employing dialogical conceptions of reason The internal dialogue is presented as a device enabling the thinking subject to make objective judgments about real world problems despite the impossibility of her occupying a fully objective standpoint Thus actual idealist moral theory is offered as an example of constructivism at its most radical inviting advocates of less radical varieties to reassess the foundations on which their theories are built **The Postal Record** ,1920 [Railway Carmen's Journal](#) ,1919 [Brotherhood of Locomotive Firemen and Enginemen's Magazine](#) ,1919 **The Trained Nurse and Hospital Review** ,1927 A monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse **Illustrated Outdoor World and Recreation** ,1916 **Hearings Before a Subcommittee of the Committee on Interstate and Foreign Commerce of the House of Representatives, Sixty-third Congress, Second Session, on Bills Relative to the Subject of Fraud in Commodities in Intersate Commerce ...** United States.
