**History of the Flag of the United States of America** George Henry Preble, 1880      **The Space and Place of Modernism** Adam McKible, 2013-01-11 This book examines reactions to the Russian Revolution by four little magazines of the teens and twenties: *The Liberator*, *The Messenger*, *The Little Review*, and *The Dial* in order to analyze some of the ways modernist writers negotiate the competing demands of aesthetics, political commitment, and race. Re-examining interconnections among such superficially disparate phenomena as the Harlem Renaissance, Greenwich Village bohemianism, modernism, and Leftist politics, this book rightly emphasizes the vitality of little magazines and argues for their necessary place in the study of modernism.
