Up The Chimney:

Up the Chimney Shepherd Shepherd Knapp,2017-12-17 One of a series of plays set at Christmas time intended for young boys and girls It is intended not only for acting but also for reading What sort of a Christmas play do the boys and girls like and in what sort do we like to see them take part It should be a play surely in which the dialogue is simple and natural not stilted and artificial one that seems like a bit of real life and yet has plenty of fancy and imagination in it one that suggests and helps to perpetuate some of the happy and wholesome customs of Christmas above all one that is pervaded by the Christmas spirit

Up the Chimney (□□□□) Shepherd Knapp,2011-05-15 This play is intended not only for acting but also for reading It is so arranged that boys and girls can read it to themselves just as they would read any other story Even the stage directions and the descriptions of scenery are presented as a part of the narrative At the same time by the use of different styles of type the speeches of the characters are clearly distinguished from the rest of the text an arrangement which will be found convenient when parts are being memorized for acting
