cultures and suffused with imagistic splendor His extraordinary travel book *Two Years in the French West Indies* 1890 presented here with the many illustrations from its first edition provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands Also included are personal letters as well as more than a dozen examples of Hearn's journalism from the 1870s and 1880s depicting vividly a raucous African American nightclub on the Cincinnati waterfront an execution scenes of Mardi Gras and the New Orleans French Quarter an uncharted village of Filipino fishermen in a remote Louisiana bayou LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

the 20th century the sermons Harris conceived also represent Christian outlooks emblematic of the time with movements such as temperance represented in the chapters and styles of dress shown in the illustrations In all we witness how a talented preacher s knack for words and speaking were adeptly purposed into a unique guide for believers eager to avoid the pitfalls of bad conduct Collier's ,1918 **The Spectator** ,1927 A weekly review of politics literature theology and art **Rolls Series** Great Britain.
