**To Save the Love that Was Lost** Lyman Allen,Sofia,2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly

to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first
