J. Swoboda, 2021-03-02 Is there a way to walk faithfully through doubt and come out the other side with a deeper love for Jesus the church and its tradition Can we question our faith without losing it Award winning author pastor and professor A J Swoboda has witnessed many young people wrestle with their core Christian beliefs Too often what begins as a set of critical and important questions turns to resentment and faith abandonment Unfortunately the church has largely ignored its task of serving people along their journey of questioning The local church must walk alongside those who are deconstructing their faith and show them how to reconstruct it Drawing on his own experience of deconstruction Swoboda offers tools to help emerging adults navigate their faith in a hostile landscape Doubt is a part of our natural spiritual journey says Swoboda and deconstruction is a legitimate space to encounter the living God After Doubt offers a hopeful practical vision of spiritual formation for those in the process of faith deconstruction and those who serve them Foreword by pastor and author John Mark Comer *Valley Experiences That Build Character* Cherie Harwell, 2005-01-19 Valley Experiences That Build Character Something Good Grows in the Valley Cherie Harwell The Journey Back from Cocaine Addiction Addictive behavior and character building discussed and depicted in several forms a picture a dream prophecy and five sacred valleys After reading Valley Experiences that Build Character I truly believe now that God allows others to go through in order to show his blessings Surely the experiences that God has brought you and your husband through will greatly help and bless others Rev Lawrence A Colbert AME Church **Bulletin**, 1902 **Inter-company News Bulletin**, 1927 The Homiletic Review, 1906 The Hebrew Christian Alliance Quarterly, 1917 *New Mexico, Her Natural Resources and Attractions* Elias Brevoort, 1874 **Social Studies ...** Salt Lake City (Utah).
