of Construction Projects

Second Edition

John Kelly · Steven Male · Drummond Graham

WILEY Blackwell

The background of the cover features a complex, abstract graphic design. It consists of several overlapping, glowing green lines that curve and flow across the page. In the center, there is a circular structure made of a fine grid or mesh, which appears to be part of a larger, more intricate pattern. The overall effect is one of dynamic movement and modern technology, with a color palette dominated by various shades of green against a dark background.
