N. Findlay,2014-11-20 Professor Findlay in this book originally published in 1961 set out to justify and to some extent carry out a material value ethic ie A systematic setting forth of the ends of rational action The book is in the tradition of Moore Rashall Ross Scheler and Hartmann though it avoids altogether dogmatic intuitive methods It argues that an organised framework of ends of action follows from the attitude underlying our moral pronouncements and that this framework while allowing personal elaboration is not a matter for individual decision The relations connecting our fundamental value judgements with one another and the frames of mind behind them are not rigorously deductive but are sufficiently compelling to be called logical Something of a transcendental deduction of a well ordered family for our basic heads of valuation is both possible and necessary The work is further critical of the notion of obligation which has been extended far beyond legal contracts and understandings The book also contains a chapter on religion **Values and Intentions** John Niemeyer Findlay,1978 [Values and intentions](#) John Niemeyer Findlay,1968 *Dopamine Detox* Josh Snider,2025-06-05 Do you feel wired distracted or constantly chasing the next hit of stimulation Are you stuck in endless scrolling binge watching and instant dopamine highs while your goals focus and real happiness fall further out of reach This book is your practical guide to reclaiming your time mental clarity and self control through a science backed dopamine detox strategy What You ll Discover Inside Why platforms like YouTube TikTok and Instagram are designed to hijack your brain How dopamine drives instant gratification and how to break the addiction loop The real story behind dopamine fasting and how to apply it in your life without extremes A complete 90 day dopamine detox protocol with weekly objectives The psychological and neurological effects of overstimulation and how to reverse them Why most people fail at detoxing and how to succeed with structure not willpower How to create a lifestyle that supports long term focus discipline and emotional stability Learn How to Rewire your brain s reward system Improve your attention span and reduce mental fog Build discipline by managing your emotions and urges Replace compulsive tech use with natural dopamine sources Use breathing mindfulness journaling and self reflection techniques Develop long term goals that align with your values Set boundaries with
