Your First Resume

Susanne Tedrick

Your First Resume:

The Complete Idiot's Guide to the Perfect Resume Susan Ireland,2002-12 Includes tips on writing an effective resume creating an accurate yet impressive job statement networking using software programs and other resume technologies and making the most of your experience

The Community College Guide Joshua Halberstam,Debra Gonsher,2009-07-07 Bookstore shelves are crowded with books offering advice to college students yet astonishingly none of these books offer needed advice to the majority of college students in the United States those attending community college Of the approximately 21 million full and part time college students 11 million attend community colleges The Community College Guide aims to help fill this huge gap The authors of this book have decades of experience between them as professors and administrators in both two year and four year colleges have written numerous books for a general readership and thoroughly understand what community college students need to know to succeed in their college careers From how to apply to community colleges to what to expect from your courses from the truth about what you ll pay to actual financial aid opportunities The Community College Guide offers a wealth of information for the millions of American students who desire higher education at the community level

Job Coach-Life Coach-Executive Coach-Branding-Letter & Resume-Writing Service Anne Hart,2005-10-07 Here s how to start your personal service business Develop an icon logo and motto for your coaching clients As a job or career coach an executive coach or a life coach you will be presenting and classifying your client s competencies writing resumes cover letters and creating a wide variety of business correspondence including sales letters news releases and direct mail copy You will be planning events for your clients and their prospective employers You ll need to really work a room to find clients as well as niches or jobs for clients when networking at professional associations and trade shows Most frequently you ll be asked to write evaluate and repackage resumes cover letters and other summaries of qualifications of your clients A resume is a summary of qualifications A career coach helps clients find success by taking step by step detailed concrete strategies that solve specific problems get results and reach a defined goal A resume writing business online can be combined with a career coaching enterprise The steps are outlined here for you to follow in chronological order to open and operate a resume writing service business and also a career coaching enterprise online from your home mobile location or office You can telecommute online and still help people find direction by offering information training or consulting services Here s how to open an online business at home presenting and packaging your clients competencies Make your living writing resumes business letters and being a job coach Help clients obtain appoints for interviews that may eventually lead to finding work Write and repackage resumes and all types of business correspondence from cover letters and follow ups to direct mail or trade show sales letters

Conquering Your Workplace Dilip Saraf,2005-12 Today s growingly precarious workplace presents unprecedented challenges that perplex even veteran employees With the workforce going global the workplace virtual the payrolls leaner and the organizational

hierarchies flatter stressed out and discomposd workers want to understand success mantras With the inexorable workplace demographic shift age disparity is creating a difficult to comprehend employee dynamic Yet nothing has changed fundamentally that should discourage a savvy professional Conquering provides that bedrock foundation demystifying how today s organizations function and their workers behave so that you can understand even predict what is happening Learn why Managers make wrong assumptions about employees It takes skill to manage your manager and to know their functions When peers hijack your agenda you must coolly unleash your wrath Career management requires a road map and chutzpah Apprenticing in the right job sets your career trajectory Learning global cultures galvanizes your career Everyone must know how to handle customers Avoiding organizational sticky wickets can unblock success Knowing when you re in trouble is key to what s next Developing broader job perspectives can be liberating Real life insights and object lessons handy tools identifiable scenarios and timeless treatment make Conquering an indispensable playbook for today s global workforce
