*Smart Woman's Guide to Midlife Horses* Melinda Folse,2011-05-23 WHEN YOU WERE A LITTLE GIRL did you dream of horses choosing Breyers over Barbies plastic horses over plastic dolls FOR THE PAST SEVERAL DECADES has your life been more about taking care of others than taking care of yourself while your dreams have gathered dust on long forgotten shelves ARE YOU AT THAT POINT IN LIFE when you ve begun to wonder whether you ll ever find the courage to do all the things you wanted to do someday Offering horses as both metaphor and solution to the natural malaise that often rears its head just about the time we blow out that midlife birthday candle this is the book that will help you ask and answer What about my dreams and Is it my turn yet and If not now when and best of all If now how The Complete Guide to Endurance Riding and Competition Donna Snyder-Smith,2008-05-05 First Star to the Right and Straight on Till Morning At the 90 mile vet check she sat in the middle of the road crying claiming extreme illness and trying to avoid her nightmarish fears her horse would die of founder or colic or anything The last ten miles of trail stretched forever in her mind black like licorice taffy After a large measure of TLC from her patient and understanding crew she and the gelding were out of the check and on the trail again The entire universe shrank to center on the pair in the moonlight Time stopped and the world faded into nothingness They were running in a small ever changing pocket of existence the rhythm of his hooves the heartbeat of that universe Ribbons and trail appeared before them and lost substance as they moved past For the rider clinging to the saddle there was no thought no pain no emotion only the instinctive drive to chase past each ribbon as it appeared Suddenly her horse jumped sideways eyes and ears frozen forward Awakened from her trance she oriented herself on his suspected woods troll a familiar embankment that meant they were a half mile from home Easing him past the scary object she sent the gelding on clinging to his neck As his soft lope swept them across the finish line she wanted to laugh out loud or cry but was unable to summon the strength for either A few small tears trickled down her cheek the only sign of the enormous pride she felt inside Becky Huffman Endurance rider wife mother of two and student of author Donna Snyder Smith The Howell Equestrian Library **Basics of Western Riding** Charlene Strickland,2012-11-12 Get in the saddle and experience the thrills challenges and fun of Western riding In this comprehensive introductory guide veteran trainer Charlene Strickland covers everything from safe horse handling procedures and basic Western riding techniques to stylish competition outfits

First Experience: A Beginner's Guide to Owning and Caring for Horses Sioux Dallas,2012 First Experience is not a complete book on how to ride but it is designed to help the beginner choose the best horse for their own use and to select the proper stable for the animal Animals have feelings just as people do and because people are supposed to have a better brain we need to be caring and concerned about the animal They will serve one faithfully and with unconditional love if they are loved and cared for properly About the Author Sioux Dallas has loved horses all of her life ever since her father put her in front of him on a horse when she was six months old However she wasn t financially able to own one until she had finished college and started working Her first horse was the great grandson of Man O War Dallas had taken lessons in licensed establishments and one of her jumping instructors had ridden with the Queen s Guards in England She learned well and began giving lessons to beginners Dallas was also a charter member in the Riding for the Handicapped School and used her horses free of charge to work with the blind and mentally challenged She was horrified to learn that supposedly intelligent people knew nothing about matching a horse with the ability of the rider She felt that the many books on horses were excellent but not for people who had never owned a horse She decided to share her knowledge and experience to help others and hopefully prevent injury to person and abuse to animals
