The Insider's Guide to the Colleges, 2010 The Staff of the Yale Daily News, 2009-06-23 The Straight Talking Student s Guide to the Best Colleges For more than thirty five years The Insider s Guide to the Colleges has been the favorite resource of high school students across the country because it is the only comprehensive college reference written and researched by students for students In interviews with hundreds of peers on campuses from New York to Hawaii and Florida to Alaska our writers have gotten the inside scoop on every school on topics ranging from professors and campus life to dorms and student activities This thirty sixth edition has been completely revised and updated to stay on top of campus trends and attitudes Each school profile in The Insider s Guide cuts through the veneer of brochures and common stereotypes to reveal colleges as they re seen through the eyes of their students This comprehensive guide includes Revealing profiles of more than 330 top schools in the United States and Canada Essential statistics for every school from acceptance rates to the most popular majors An insider s packing list detailing what every college student really needs to bring A college quiz that helps students find the type of school that is right for them FYI sections with candid student opinions and outrageous advice **The Insider's Guide to the Colleges, 2011** Staff of the Yale Daily News, 2010-06-15 For more than thirty five years The Insider s Guide to the Colleges has been the favorite resource of high school students across the country because it is the only comprehensive college reference researched and written by students for students In interviews with hundreds of peers on campuses from New York to Hawaii and Florida to Alaska our writers have sought out the inside scoop at every school on everything from the nightlife and professors to the newest dorms and wildest student organizations In addition to the in depth profiles of college life this 37th edition has been revised and updated to include Essential statistics for every school from acceptance rates to the most popular majors A College Finder to help students zero in on the perfect school Insider s packing list detailing what every college student really needs to bring FYI sections with student opinions and outrageous off the cuff advice The Insider s Guide to the Colleges cuts through the piles of brochures to get to the things that matter most to students and by staying on top of trends and attitudes it delivers the straight talk students and parents need to choose the school that s the best fit The Missing Competency Sharon A. Aiken-Wisniewski, Deborah J. Taub, Rich Whitney, 2023-07-03 Authors Sharon Aiken Wisniewski Rich Whitney and Deborah Taub have done a great service to student affairs and to student learning and development with this fine book *The Missing Competency A Program Development Model for Student Affairs* The profession owes them great appreciation for returning the foundational competency of programming to our collective attention and providing a contemporary model to implement programs of quality From the foreword by Susan R Komives Program development is central to the work of student affairs professionals yet the field has not prioritized the development of competency in this area This theory to practice sequential guide to program development fills that gap in the literature The authors describe the elements of program planning and delivery from the inception of the idea through the use

of assessment to revise and improve the program for the future Whether a new professional or a seasoned leader this volume offers the reader a deeper understanding of program development Starting with a foundational understanding of this process the book proceeds to a step by step process taking a program from an idea to a proposal with goals objectives budget and timeline with tasks and beyond planning to implementation The book concludes with stressing the importance of assessment as the program continues to develop over time Each chapter applies program development concepts through program examples Finally the authors leave readers with tools and templates to support the process

Life Transitions in America Francesco Duina,2014-02-12 We celebrate talk about and worry a great deal about transitions in life Going to college having a first child losing a job and retiring constitute just a few of the pivotal moments in the lives of many Sociologists and psychologists have devoted considerable attention to life transitions Yet we know very little about whether there exists a common thread to our understandings of life transitions in general How do journalists leading politicians sport icons bestselling authors government agencies Hallmark cards popular TV shows and other voices of popular culture talk about transitions in life Do these voices provide a coherent picture of how we make sense of life transitions In this book Francesco Duina shows how the dominant American discourse articulates two basic approaches to transitions in life The first approach depicts transitions as exciting individualistic opportunities for new beginnings the past is cast aside the future is wide open and the self has the opportunity to recreate itself anew The second paints transitions as having to do with continuity our connections to others and the life cycle with an emphasis on acceptance and adaptation Though contrasting the two approaches ultimately complement each other Their analysis reveals a great deal about American culture and society and will be of great interest to students of the life course and the sociology of culture
