

A Threshing Floor

In the ancient world, farmers used threshing floors to separate grain from its inedible husk (chaff) by beating it with a flail or walking animals on it—sometimes while towing a threshing sledge. Sledges were fitted with flint teeth to dehusk the grain more quickly. Other workers would turn the grain over so that it would be evenly threshed by the sledge.

After threshing, the mixture was tossed into the air with a winnowing fan; the wind would blow away the lighter straw and chaff, leaving only the grain.

THRESHING FLOOR D.I.Y STYLE: A NEW APPROACH FOR A NEW GENERATION; From Harvest To Seed DR

WALTER MASOCHA,2013-08 The Bible suggests that unbelievers are a crop ready for harvest When harvested they are taken to the threshing floor where husks and chaff are removed to reveal the precious seed Matt 3 11 12 9 35 38 This book develops the concept of Threshing floor by simple reference to a typical sub urban town house or mansion with nine floors each of them being a Threshing Floor For various reasons many Christians are uncomfortable to approach someone else for counselling Fatally wounded by fellow Christians whether leaders or not they quietly withdraw from the Church Alternatively they stay put but deeply wounded and hurt they limp along and remain in the Church They become religious This book offers a new innovative D I Y approach to Christian Counselling whereby one approaches others only in the event of failure of the D I Y process Touching on various character and behavioural attributes the Bible is explored to clinically analyse scriptures offering chances for the wounded and those who wound others to get self threshed by the Word of God on different theoretical floors in the House God Psalm 23 6 When fully threshed they serve in God s house with a sweet spirit agape love peace and joy in the Holy Ghost

The Threshing Floor Eddy Lewis,Paul W. Conant,2014-02-03 The Threshing Floor takes a look at current events through the lens of Bible prophecy The Bible instructs us many times to watch and be ready for the Lord s return In this book I attempt to identify the signs that we are to watch for as well as the ways we are to prepare ourselves for the Lord s return In addition I look at how we are to act and react towards a government system that is stripping Christian believers of their freedoms to worship and obey God in sharing the gospel of Christ I interpret prophecy primarily through three methods First I look at past precedents for how ancient prophecies have been fulfilled The literal fulfillment of prophecies pointing to Christ s first coming indicate there will be a literal fulfillment of end time prophecies In this book I

link Old Testament prophecies with New Testament prophecies in a logical way so that they are relevant and understandable today Secondly I interpret prophecy by looking at the big picture of history from God s view point The Bible reveals the witnesses of God from the beginning of time to the establishment of His eternal kingdom I identify the different groups through history and the process which God uses in choosing His servants God follows a three step process where He identifies His servants prepares them to serve and finally commissions His servant to go out into the world Through this process God always gives His servants promises with conditions attached In this book I identify the promises and the conditions of God along with when they will be fulfilled in God s time frame The third way that I interpret prophecy is by understanding the main message behind the imagery in the writings of the prophets Future events depicted through imagery always reveal the fulfillment of the past promises to the servants of God When we don t understand what the imagery of a passage of scripture is revealing we must search for the past promises in the word of God By using this three step process we can understand what the message of Bible prophecy is for us today as we near the fulfillment of many of the promises of God As God s servant witnesses I invite you to open your Bible and your mind as we journey through the maze of Biblical prophecies and discover how they relate to us in these turbulent times *Zondervan Dictionary of Biblical Imagery* John A.
