through the partisan noise and helps readers reclaim the original time tested principles of liberty that America's Framers  
worked so hard to protect The Constitution is one of the most studied and most willfully misunderstood documents in  
American life Now more than ever Americans need an objective thorough and clear headed analysis of what our Founders  
meant when they wrote it and perhaps even more importantly what they didn't mean How should we confront the distortions  
layered onto the Constitution over generations distortions that continue to shape and misshape American life today Enter  
William J Watkins Jr Drawing on a lifetime of experience in the law as prosecutor defense attorney and constitutional scholar
