

# Lockean Theory

---

The justifications for this theory can be categorized into five points:

**Firstly**, when a person owns his/her labour and mixes the things which are not owned with his/ her labour, he/she becomes the self owner of the property.

**Secondly**, the value of the property increases and improves only when labour is mixed with the property.

**Thirdly**, the fact that the labour improves the value of the property empowers the person with some sort of desert claim over the property.
