Alexander Mikaberidze

Valley Massacre:

Valley Massacre J.R. Roberts, Tracking down political assassins isn't the sort of thing Clint Adams usually does. But when a friend asks him to lend a hand and a gun he agrees. After a day on the case he knows why he doesn't care for this kind of work: nothing is what it seems and he doesn't dare trust anyone. Even the voluptuous Alison Becker is suspect; she may be using feminine wiles to get information for her influential father. Clint knows only one thing for sure: someone wants him dead the sooner the better.

Cherry Valley Massacre A. J. Berry, 2013-09-25 The Cherry Valley Massacre was a horror that was remembered by those participants for the rest of their lives. This was an attack and not even a directed attack. In this massacre, men, women, children, Whigs, and Tories were killed without discrimination. There were constant raids and destruction, but this was pure horror. It was also outside the season of war and unexpected. In these early times of our country, war was called off during the winter. No one had adequate clothing and there was no snow removal.

Atrocities, Massacres, and War Crimes Alexander Mikaberidze, 2013-06-25 Both concise and wide-ranging, this encyclopedia covers massacres, atrocities, war crimes, and genocides, including acts of inhumanity on all continents and serves as a reminder that lest we forget, history will repeat itself. The 400-plus entries in *Atrocities, Massacres, and War Crimes: An Encyclopedia* provide accessible and concise information on the difficult subject of abject human violence committed on all continents. The entries in this two-volume work describe atrocities, massacres, and war crimes committed in the 20th century, thereby documenting how human beings have repeatedly proven their capability to commit horrific acts of inhumanity even in relatively recent times and within the modern era. The encyclopedia covers countries, treaties, and terms; profiles individuals who had been formally indicted for war crimes, as well as those who have committed mass atrocities and gone unpunished; and addresses human rights violations, crimes against humanity, and crimes against peace.

The Captives of Abb's Valley: the Massacre & Captivity of Settlers in Virginia by Indians, 1786 James Moore, 2025-06-20 In *The Captives of Abb's Valley*, James Moore recounts a harrowing and deeply personal tale of survival on America's turbulent frontier. Set against the backdrop of the late 18th-century wilderness, this narrative chronicles the brutal attack on a small Virginia settlement and the subsequent captivity of its survivors by Native American warriors. Moore's firsthand account, enriched by family records and local history, provides a vivid and unflinching portrait of the perils faced by early American pioneers. Beyond the bloodshed and hardship, the story grapples with themes of endurance, cultural collision, and the resilience of the human spirit. Moore's work captures not only the violence of the era but also the complexity of frontier relationships between settlers and indigenous peoples. A gripping testament to fortitude and survival, *The Captives of Abb's Valley* remains a vital piece of early American historical literature, illuminating a dramatic and often overlooked chapter of the nation's past.

Ghost Hunter's Guide to California's Wine Country Jeff Dwyer, 2008-09-26 There's much more to this valley than first meets the eye. I had no idea the dead population was so lively here. Truly, Dwyer brings the past to life. Mick Winter, author of *The Napa Valley Book*.

Serving as a guide to one of America's most treasured lands the Ghost Hunter's Guide to California's Wine Country takes readers to the rolling hills old wineries and beautiful vineyards of the California Wine Country With more than eighty haunted locations described in great historical detail experienced and novice ghost hunters alike can search this famous region for encounters with ghosts of explorers Native Americans soldiers and others Recommended locations include the famous novelist Jack London's homestead where apparitions and other phenomena have been experienced Many believe London's ghost still haunts his beloved ranch After traveling the vineyards and wineries the counties of Napa and Sonoma offer more ghostly adventures The Cinedome movie house in Napa is said to hold the ghosts of an older couple who were often found cuddling in the back of the theatre In Sonoma hauntings have occurred in the popular park known as the Plaza Sem Yeto one of the last Pomo chiefs is buried in the park's northwest corner and some have witnessed the spirit of his ghost wandering the site Filled with fascinating historical details that few locals even know the book is eerily convincing in its convictions Santa Rosa Press Democrat A handy guide to curdling your blood and raising your hair Napa Valley Register

George Washington's War on Native America Barbara Alice Mann, 2005-03-30 The Revolutionary War is ordinarily presented as a conflict exclusively between colonists and the British fought along the northern Atlantic seacoast This important work recounts the tragic events on the forgotten Western front of the American Revolution a war fought against and ultimately won by Native America The Natives primarily the Iroquois League and the Ohio Union are erroneously presented in history texts as allies or lackeys of the British but Native America was working from its own internally generated agenda to prevent settlers from invading the Old Northwest Native America won the war in the West holding the land west and north of the Allegheny Ohio River systems While the British may have awarded these lands to the colonists in the Treaty of Paris the Native Americans did not concur Throughout the war the unwavering goal of the Revolutionary Army under George Washington and their associated settler militias was to break the power of the Iroquois League which had successfully held off invasion for the preceding two centuries and the newly formed Ohio Union To destroy the Natives in the way of land seizure Washington authorized a series of rampages intended to destroy the League and the Union by starvation Food

livestock homes and trees were destroyed first in the New York breadbaskets then in the Ohio granaries spreading famine across Native lands Uncounted thousands of Natives perished from New York to Pennsylvania to Ohio This book tells how in the wake of the massive assaults the Natives held back the American onslaught **Chronicles of Canada** George McKinnon Wrong, Hugh Hornby Langton, 1914 *The War Chief of the Six Nations* Louis Aubrey Wood, 1920 Edward Fitzgerald Beale, a Pioneer in the Path of Empire, 1822-1903 Stephen Bonsal, 1912 **New York** Ray Hughes Whitbeck, 1901 **The American Educator** , 1922
