writer has an inspiration Every icon holds a story Every legend hides a dark side Dear reader When the boon of sleep becomes a presage of horror while one's long shadowy days are laden with sordid events so terrifying they only bridge a thread to the same wicked nightmare in what can a gentleman find refuge and catharsis Writing No one can deny that Abraham Stoker penned a Gothic tour de force in 1897 All readers and moviegoers are familiar with the name Dracula as a parade of literary colleagues and Hollywood directors have probed the monster's conscience for generations Even so few artists have explored Stoker's motivations for creating such a loathsome seductive protagonist Welcome to Bram's nightmare a wild historical tale that fuses the life and times of a struggling author a ruthless prince and vampire mythology Set in London in 1887 aspiring writer and stage manager Bram Stoker attends a seance that changes his life forever What starts as an innocent ritual follows as a series of unforeseen yet connected plot twists and encounters with the bloodthirsty beast mistakenly freed from the underworld on that fateful night As Bram's young son Noel intervenes to pull his father from the madness that ensues wife Florence's health begins to decline and his employer actor Henry Irving is being questioned about a violent murder that takes place outside his Lyceum Theater To save careers families and souls father and son seek answers to the darkest secrets hidden within the Carpathian Mountains an ancient monastery a ruined castle and a forbidden cavern My Dracula prequel is meant to pay homage to a brilliant man writer and Romantic masterpiece mixing fantasy fact and Gothic elements to show how literary art is born I have been a vampire enthusiast since the tender age of seven having first read Stoker's work in comic book form Since then I have made it my avocation to study vampire lore the historical Vlad the Impaler as well as everything known about Bram A vast amount of commentary on his novels the same reference materials Stoker used in composing his works as well as the author's very notes and private journals inform my narrative
