

# William Burroughs

**William S. Burroughs, Geoffrey Dayton  
Smith, John M. Bennett**

## William Burroughs:

**With William Burroughs** William S. Burroughs, Victor Bockris, 1996-11-15 William Burroughs the eccentric brilliant artist who burned a bridge with logic and wrote the classic *Naked Lunch* continues to fascinate readers Now the artist's long time friend writer Victor Bockris records for all objective time the choice private and public hallucinatory and prescient utterances of Burroughs and his famous circle 60 photos *Junky* William S. Burroughs, 2012-10-02 Junk is not like alcohol or a weed a means to increased enjoyment of life Junk is not a kick It is a way of life In his debut novel *Junky* Burroughs fictionalized his experiences using and peddling heroin and other drugs in the 1950s into a work that reads like a field report from the underworld of post war America The Burroughs like protagonist of the novel Bill Lee sees saws between periods of addiction and rehab using a panoply of substances including heroin cocaine marijuana paregoric a weak tincture of opium and goof balls barbiturate amongst others For this definitive edition renowned Burroughs scholar Oliver Harris has gone back to archival typescripts to re created the author's original text word by word From the tenements of New York to the queer bars of New Orleans *Junky* takes the reader into a world at once long forgotten and still with us today Burroughs's first novel is a cult classic and a critical part of his oeuvre *Literary Outlaw* Ted Morgan, 2012-07-23 Almost indecently readable captures Burroughs's destructive energy his ferocious pessimism and the renegade brilliance of his style *Vogue* With a new preface as well as a final chapter on William S Burroughs's last years the acclaimed *Literary Outlaw* is the only existing full biography of an extraordinary figure Anarchist heroin addict alcoholic and brilliant writer Burroughs was the patron saint of the Beats His avant garde masterpiece *Naked Lunch* shook up the literary world with its graphic descriptions of drug abuse and illicit sex and resulted in a landmark Supreme Court ruling on obscenity Burroughs continued to revolutionize literature with novels like *The Soft Machine* and to shock with the events in his life such as the accidental shooting of his wife which haunted him until his death Ted Morgan captures the man his work and his friends Allen Ginsberg and Paul Bowles among them in this riveting story of an iconoclast *The Job* William S. Burroughs, Daniel Odier, 1984 *The Job* is William S Burroughs at work attacking our traditional values condemning what he calls the American nightmare and expressing his often barbed views on Scientology the police orgone therapy history women writing poetics sex drugs and death His conversation splices images of death by hanging with elevators and airports the story of his drug addiction and cure with ideas on the use of hieroglyphs **Last Words** William S. Burroughs, 2007-12-01 *Last Words* *The Final Journals* of William S Burroughs is the most intimate book ever written by William S Burroughs author of *Naked Lunch* and one of the most celebrated literary outlaws of our time Laid out as diary entries of the last nine months of Burroughs's life *Last Words* spans the realms of cultural criticism personal memoir and fiction Classic Burroughs concerns literature U S drug policy the state of humanity his love for his cats permeate the book Most significantly *Last Words* contains some of the most personal work Burroughs has ever written a final reckoning with his life and regrets and his reflections on the deaths of his friends

Allen Ginsberg and Timothy Leary It is a poignant portrait of the man his life and his creative process one that never quit not even in the shadow of death *Conversations with William S. Burroughs* William S. Burroughs,1999 Although a rather shy private man William Burroughs gave a good many interviews during his lifetime some in prominent publications others in obscure forums The interviews collected here provide an aperture into the philosophies methods and quirks of a man who wrote *Queer Junky Naked Lunch Nova Express Cities of the Red Night My Education* and many other works When he died in 1997 Burroughs was likely one of the most widely recognizable figures in contemporary American literature His image circulated on album jackets in Nike commercials and in films as though proving his notion that pictures and words are viruses invading any receptive host taking hold and replicating themselves Not surprisingly the topics Burroughs touches upon are wide ranging his relationships to the Beats legends surrounding his personal life drugs gay liberation collaboration the cut up technique science fiction politics conspiracy theory censorship cats guns David Cronenberg s movie adaptation of *Naked Lunch* shotgun art dreams and life in Lawrence Kansas where he spent his last years From these interviews emerges a full undiluted portait of a writer who is difficult to capture in biography Speaking of the Paris Review interview Alfred Kazin calls Burroughs an engineer of the pen a calmly interested specialist of the new processes When Burroughs makes philosophic and scientific claims for his disorderly collections of data we happily recognize under the externally calm surface of the interview the kind of inner frenzy that is his genius and which in all of us his books make an appeal Kazin s view applies as well for the other interviews in this collection Allen Hibbard is an associate professor of English and the director of graduate studies at Middle Tennessee State University He is the author of *Paul Bowles A Study of the Short Fiction* and of many articles *The Letters of William S. Burroughs* William S. Burroughs,1994-06-01 These funny filthy and terrifically smart letters reveal him in a way that no biographer can New York Newsday Guru of the Beat generation minence grise of the international avant garde dark prophet and blackest of satirists William S Burroughs has had a range of influence rivaled by few living writers This volume of his correspondence from 1945 to 1959 vividly documents the personal and cultural history through which Burroughs developed revealing clues to illuminate his life and keys to open up his texts More than that it shows how letter writing was itself integral to his life and to his fiction Beginning as surprisingly formal notes from the road to his friends Allen Ginsberg and Jack Kerouac the letters deepen in substance and style Then in Tangier comes a dramatic shift in voice and vision and the explosive distinctive letters that will become *Naked Lunch* Letters were lifelines for Burroughs the outcast and works in progress for Burroughs the writer and they track his turbulent journey across two decades and three continents To read them as they were written is to experience a unique merging of life and letters the extraordinary story of Williams S Burroughs homme de lettres Unrelenting impact Los Angeles Reader **Word Virus** William S. Burroughs,2007-12-01 With the publication of *Naked Lunch* in 1959 William Burroughs abruptly brought international letters into the postmodern age Beginning with his very early writing including a chapter from his and Jack

Kerouac's never before seen collaborative novel *Word Virus* follows the arc of Burroughs's remarkable career from his darkly hilarious routines to the experimental cut up novels to *Cities of the Red Night* and *The Cat Inside* Beautifully edited and complemented by James Grauerholz's illuminating biographical essays *Word Virus* charts Burroughs's major themes and places the work in the context of the life It is an excellent tool for the scholar and a delight for the general reader Throughout a career that spanned half of the twentieth century William S Burroughs managed continually to be a visionary among writers When he died in 1997 the world of letters lost its most elegant outsider

**The Job** Daniel Odier,1974 **William S. Burroughs** Barry Miles,2014 Presents a biographical sketch of American writer William S Burroughs 1914 1997 provided as part of *Bohemian Ink* Highlights Burroughs drug addiction and its relationship with his work *Everything Lost* William S. Burroughs,Geoffrey Dayton Smith,John M. Bennett,2008 In late summer 1953 as he returned to Mexico City after a seven month expedition through the jungles of Ecuador Colombia and Peru William Burroughs began a notebook of final reflections on his four years in Latin America His first novel *Junkie* had just been published and he would soon be back in New York to meet Allen Ginsberg and together complete the manuscripts of what became *The Yage Letters* and *Queer* Yet this notebook the sole survivor from that period reveals Burroughs not as a writer on the verge of success but as a man staring down personal catastrophe and visions of looming cultural disaster Losses that will not let go of him haunt Burroughs throughout the notebook Bits of it keep floating back to me like memories of a daytime nightmare However out of these dark reflections we see emerge vivid fragments of Burroughs fiction and even more tellingly unique primary evidence for the remarkable ways in which his early manuscripts evolved Assembled in facsimile and transcribed by Geoffrey D Smith John M Bennett and Burroughs scholar Oliver Harris the notebook forces us to change the way we see both Burroughs and his writing at a turning point in his literary biography

**The Soft Machine** William S. Burroughs,2011-02-24 In *Naked Lunch* William S Burroughs revealed his genius In *The Soft Machine* he begins an adventure that will take us even further into the dark recesses of his imagination a region where nothing is sacred nothing taboo Continuing his ferocious verbal assault on hatred hype poverty war bureaucracy and addiction in all its forms Burroughs gives us a surreal space odyssey through the wounded galaxies in a book only he could create

*The Job* William S. Burroughs,2012-08-02 William Burroughs work was dedicated to an assault upon language traditional values and all agents of control Produced at a time when he was at his most extreme and messianic *The Job* lays out his abrasive incisive paranoid maddened and maddening worldview in interviews interspersed with stories and other writing On the Beat movement the importance of the cut up technique the press Scientology capital punishment drugs good and evil the destruction of nations *Deadly Orgone Radiation* and whether violence just in words is violence enough Burroughs insights show why he was one of the most influential writers and one of the sharpest most startling and strangest minds of his generation

*With William Burroughs* William S. Burroughs,Victor Bockris,1981-01-01 [The Letters of William S. Burroughs](#) William S. Burroughs,Oliver Harris,1993 [William S.](#)

Burroughs Cutting Up the Century Joan Hawkins, Alex Wermer-Colan, 2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs's Nova Trilogy *The Soft Machine* *Nova Express* and *The Ticket That Exploded* remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs *Cutting Up the Century* also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice **Rub Out the Words** William S. Burroughs, 2012-05-31 This major collection of William Burroughs letters gives an unprecedented insight into one of America's most incisive and influential writers at a time when his work was at its most experimental and his life entered a new era of creativity William Burroughs' life was often as extreme as his prose This second volume of his letters documents the time after the notorious publication of *Naked Lunch* in 1959 as he drifted away from Kerouac Ginsberg and the Beats and on towards new horizons in Europe and North Africa moving from place to place in search of inspiration or to avoid the law over his drug addiction and openly gay lifestyle We see Brion Gysin gradually replace Ginsberg as Burroughs' most trusted confidant as they explore ideas on mind control and language and there is correspondence with Paul Bowles Ian Sommerville Timothy Leary and Norman Mailer among many others These letters show the creative surge that led to works such as the Nova Trilogy Burroughs' brief fascination with Scientology his desperation to kick his drug habit his continuing dedication to the cut up method but also a gradual return to more narrative forms of writing as in 1974 he prepared to return to New York Darkly funny sharply perceptive and often shocking these letters also reveal an open and curious side to Burroughs in contrast to the familiar view of his isolated itinerant life at this time *Rub Out the Words* adds a new richness to our view of one of the most innovative artists of the twentieth century *The Adding Machine* William S. Burroughs, 1993 Scintillating essays about the author himself his interests his influences his friends and foes He offers candid and not always flattering assessments of other writers He ruminates on science and the often dubious paths into which it seem intent on leading us whether into outer or inner space Burroughs reviews his reviewers explains his famous cut up method and discusses the role coincidence has played in his life and his work **Cursed from Birth** William S. Burroughs, David Ohle, 2001-08-01 Born in 1947 to the writer William S Burroughs and his common law wife Joan Vollmer William S Burroughs Jr known as Billy Jr

would later describe himself to his father as your cursed from birth son Cursed from Birth is testimony to the difficulty of living up to a famous father and a lucid shattering depiction of a life going down the tubes Raised by his paternal grandparents in Palm Beach after his mother was killed by his father in a shooting accident Billy saw his father become suddenly famous for Naked Lunch just as he became a teenager Billy Jr s short life was defined by creating trouble to catch the attention of his father mourning the death of his mother descent into alcoholism and drug addiction and reckoning with it all by beginning his own literary endeavors Compiled by writer David Ohle from Burroughs Jr s third and unfinished novel Prakriti Junction his last journals and poems and correspondence and conversations with those who knew Billy Cursed from Birth is faithful to Billy s own intentions for a last artistic effort With the sufferings but not the patience of Job Billy Burroughs s li Last Words William S. Burroughs, James Grauerholz, 2000 William Burroughs died in August 1997 after a lifetime of notoriety In his final years he was writing only in his journals The last nine months of his diaries are here in Last Words and they form a complex rarely seen personal portrait of Burroughs at the end of his life coming to terms with aging and death

Recognizing the way ways to get this books **William Burroughs** is additionally useful. You have remained in right site to begin getting this info. acquire the William Burroughs connect that we come up with the money for here and check out the link.

You could purchase guide William Burroughs or get it as soon as feasible. You could quickly download this William Burroughs after getting deal.
