Emma has been given a quest by the gods to save her country from destruction. If she's to preserve the future of the fae, she'll have to become the strongest sorceress that's ever lived, bring down the cult that seeks her power, and defeat the dark lord that threatens to rule over the kingdom. Ethan has joined the revolution to save Malovia, but the evil monarchs that control the nation have cast a shadow over all shifters and their fated mates. As a movement burns throughout the city, Ethan is tried for treason, and deception is unleashed as they seek the most powerful faerie objects of all time. In this land of pagan ritual and dark deception, a cult of shadow seeks her blood to raise a dark god, and the greatest danger of all could be her own mate. Ethan is a disgraced wolf who desires to be king. He forged an unbreakable bond with Emma at first sight, but loving her means putting the country at risk. A prince by day and a vigilante by night, Ethan must keep his identity secret or face execution. An evil power seeks the monarchy, and if the nation falls into the wrong hands, chaos will reign. To find his way back to the throne, Ethan must make Emma his queen and prove they deserve the crown at all costs.
