Chapter 1 What Jamie Needs to Know

When Jamie learned he could understand trees his whole world changed Jamie is different from everyone else in his little town because he has a unique skill He had this thought one peaceful afternoon while sitting in the park under his favorite tree a big old oak At first he thought that the soothing sound of falling leaves was just the wind making its normal noises But at that point Jamie saw something amazing As time went on sounds joined together to make words and those words turned into phrases He thought the tree was there to talk to him At first Jamie was both amazed and scared He looked around to see if anyone else had heard but no one else had He was hearing stories from the old oak about the birds that built nests in its branches and the mice that ran around its trunk Jamie learned that every tree has its own voice and identity Some were young and eager to learn about the world while others were old and wise and told stories from long ago The willow by the river spoke to Jamie in a soft calming voice about the fish swimming in the water below From the crisp spring bloom to the cold winter cover the maple tree s beautiful red leaves told stories about the changing seasons To find out what the trees were telling him Jamie spent hours listening to them He found hidden caves lost riches and even a tiny crack in the sidewalk that needed to be filled to keep people from tripping The trees let Jamie and his family know when storms were coming so they could get ready and stay safe The most important thing in Jamie s life was the connection he had with trees that no one could see He felt honored that the trees trusted him to tell their story Jamie told them he would keep their secret and always be there for them The trees kept him company which made him feel safe and loved Little by little they told him not to be scared and that as long as he paid attention he would never be alone Jamie felt like he had a mission because he could talk to the trees He was well aware of his unique role as a link between the human and nature worlds The trees taught him how important it is to care for and respect nature He started to care more about the environment and started to pick up trash and plant new trees He also told his family and friends to do the same Through his strange link Jamie learned that each tree like each person has a unique story And by just listening to these stories Jamie learned more about the world than he ever thought possible This secret not only added magic to his life but it also taught him the importance of being kind understanding and taking care of the world which he would never forget

Chapter 2 What the Old Oak Told Us

Jamie had a strange experience one sunny morning while looking at the biggest tree in the park The very big oak tree which had been there for a long time started to talk to Jamie Its stories were usually calm and wise but this time they warned of a storm that was coming What the oak said about how it knew when the climate changed and the soil under its roots became strained It

told Jamie that this wasn't going to be any storm but one with heavy rain and strong winds that would make the town dangerous for a long time Jamie paid close attention to what the oak said He understood that trees had a strong bond with nature and could notice changes in ways that people usually couldn't Out of a sense of duty Jamie believed what the oak said He felt he had to help his town get ready for the storm right away He told his family first when he got home After being shocked by Jamie's serious attitude they took steps to protect their home by tying down anything the wind could blow away and cleaning out the drains to keep water from flooding Following the oak's advice Jamie went door to door in his neighborhood to tell everyone what it said There were doubters at first who couldn't see how Jamie could have known about the storm before the weather forecasters They agreed to listen because Jamie was honest and his family was respected in the area As a way to get ready they sealed their windows gathered emergency supplies and thought about how to keep their dogs safe Another thing Jamie did was tell his friends about it Together they got the word out to more people than he could have by himself As soon as the city government learned about the problem emergency plans were put into place all over the area They made sure everyone knew what to do in case of a storm and gave people who needed it a place to stay safe The storm was just as strong when it finally hit land as the old tree had said it would be The village was ready though thanks to Jamie's work and the tree's warning Even though it rained a lot and blew hard not much damage was done It was safe for people to be in their homes The people in the town were thankful to Jamie and shocked that he had seen the storm coming Jamie could only smile and think of the old oak He was glad that the bell had gone off In this case it made Jamie feel closer to trees It also taught the town an important lesson about the value of nature and how it can help us if we pay attention Jamie became famous as a hero but he knew that the real heroes were the old oak and the secret group of trees that had sent the warning Because of this Jamie's connection with the trees was valued and honored and people in the community learned to value nature's protection and wisdom
