Wind The:

The Wind, the Fountain and the Fire Mark Barrett, 2019-12-12 The 2020 Lent Book from Bloomsbury explores the vivid imagery of the Psalms and the Gospels as a path into scriptural prayer Scripture and especially the Book of Psalms has always formed the substance of the daily prayer of Christian monks and nuns Monastic men and women spend more time among the scriptures each day than in most other activities How do such regular interactions with the texts of the Old and New Testaments help us renew our Christian imaginations how might these reflective encounters enable all of us to discover the wind of the Spirit the fountain of living water and the fire from which God speaks within the printed pages of our Bibles In *The Wind the Fountain and the Fire* Mark Barrett a Benedictine monk of Worth Abbey offers a Lenten pathway through scripture opening the gateway of sacred imagery as a mode of prayerful reflection For each week of Lent he has selected a different image the Dust the Mountain the Well the Light and the Tomb In these richly imagined biblical symbols we are invited to find keys which can unlock both our experience of scripture and our understanding of our own hearts

The Wind, the Kite, the String Edwin Willwerth, 2007-12 Two great writers and their books that have had an influence on me in the writing of this book are Jonathan Swifts 1667 1745 and John Bunyan 1628 1688 Jonathan Swift masterpiece titled *Gulliver s Travels* was an allegorical attack on the hypocrisy of the human behavior that he witnessed in almost every level of life in England especially on the political stage John Bunyan was the author of another famous allegorical book about a soul in search of salvation *Pilgrim s Progress* I do not believe this book will in any way approach the level of these two great masterpieces but like Swift and Bunyan I too have some comments about the behavior of my fellow Spacelanders as I like to refer to them What do they really believe in What have they committed and dedicated their lives to Because I believe the answers to these questions are the determining factors of their behavior Like all allegorical books you will need a great imagination But as Oscar Wilde said Imagination is a quality given man to compensate him for what he is not and a sense of humor was provided to console him for what he is Edwin Willwerth has been married for over fifty years and is the father of three children He was a high school mathematics teacher for thirty years Besides teaching in several public and private schools within the United States he has also taught in Paraguay for one year Nepal for two years and China for six months He has been very active in his local church serving for a number of years as a Sunday School teacher and later as head of the Sunday School Department He was the Missionary Director within his church for several years He has also spent time on Missionary projects in Haiti and Campeche Mexico
