Zaman Tuneli:

Societal Peace and Ideal Citizenship for Turkey Pinar Enneli, Rasim Özgür Dönmez, 2011-08-16 Globalisation and neo liberalism have been impacting the nation state and leading the full citizenship concept into crisis not only in Turkey but also in the world While one reason for this crisis is the decline of the welfare state another reason stems from the fluidity of borders that distorts the classical patterns of the nation state such as meta identity The existing Turkish citizenship inherited a strong state idea with passive citizenship tradition from the Ottoman Empire However this understanding is no longer sustainable for Turkish society The definition of citizenship through state led nationalism secularism and a free market economy creates societal crises in politics and society The aim of this book is to find out the answer of what should be the ideal citizenship regime for Turkey Various scholars dealing with Turkish socio politics analyze different aspects and problems of Turkish citizenship regime that should be tackled for finding a recipe for ideal citizenship in Turkey *Torn is the Curtain* Canan Balan, 2025-12-01 Between the late nineteenth and early twentieth century Istanbul witnessed a cinematic revolution that carried profound implications for the way ideas of identity nation and gender were conceived Re examining film s potential as both an artistic and ideological discipline *Torn is the Curtain* interrogates the relationship between early film cultures and ideas of social transformation highlighting how emergent ideas of post colonialism Orientalism and feminism impacted Turkish film aesthetics Consequently this volume highlights how early cinema culture was not only shaped by ever changing religious and cultural forces but did itself shape contemporary debates about identity and cross cultural exchange **Varlık**, 2006 On be g ml k sanat ve fikir mecmuas 1933 Jan 1 1939 Ayl k edebiyat ve sanat dergisi Jan 1997 Journal of the Faculty of Architecture Orta Dogu Teknik Üniversitesi (Ankara, Turkey).
