EFT for Christians Sherrie Rice Smith, RN, 2015-05-15. While Emotional Freedom Techniques (EFT) has been gaining in widespread use and popularity during the past decade, most Christians are unfamiliar with this gentle and astonishingly effective self-help tool. Those who have discovered its healing potential may be unsure how it fits in with their faith. Sherrie Rice Smith, RN, Retired, has an extensive faith-based EFT practice and has pioneered the use of this breakthrough approach, also called tapping with Christians. In this book, she shows how to use Scripture while tapping and how EFT can strengthen the prayer life of the believer. Packed with compelling case histories of both physical and emotional healing drawn from her Christian EFT practice, as well as her extensive nursing background, Sherrie explains the science behind Clinical EFT and how it works in harmony with our divinely created physiology. She shows how a combination of good science and firm faith is able to provide dramatic relief from a wide variety of suffering, whether it is spiritual, emotional, or physical, and how to integrate this self-help method with the Christian life.

Heal My Wounds Jermaine Enoch Heaven,2025-01-17 The world is broken and everyone is looking for a solution in all the wrong places It is hard to get a solution from the wrong source and expect a positive result I know that real emotional healing can only be received through Jesus Christ Yes pain always brings out the worst in us but if it is not processed properly it can cause irreparable damage I never realised how much my generation has been shaped by emotional hurt until I sat down to write this book And I always wondered why a lot of people felt the need to come to me asking for help or advice about their hurts It always broke my heart just listening to their experiences Thank God after a few counselling and prayer sessions they would receive their healing This became a day to day part of my life I now realise I was called to this God has given me the wisdom to deal with this kind of spiritual baggage I wrote this book to offer some solutions to emotional pain For this reason I have extensively used my personal experiences and those of other people to show those who are hurting that God can turn those hurts into an opportunity for helping others I share my journey about how God healed me from a lot of emotional pain This book is therefore a personal guide to emotional healing I believe that this book will take you on a journey to personal healing I may not have the answers to every emotional problem but I think that I covered a majority of some of the problems you may be facing currently I encourage you to read this book It is very educational and eye opening If none of these situations applies to you I still encourage you to read on And if anything applies to you then trust that God will heal you by the time you finish reading this book Jermaine R Dokothum
