## **Stirring Prose Cooking With Texas Authors:**

Stirring Prose Deborah Douglas, 1998 *Stirring Prose Cooking with Texas Authors* is a delightfully revealing look at some of Texas's best writers. Initially conceived as a "Who's Who of Texas authors," Deborah Douglas quickly realized that asking authors to write about their favorite recipes freed them from the big toe digging constraints of having to talk directly about themselves. The resulting off-center reflections are brilliant slices of their personalities and their writing styles. A traditional cookbook this is not. Each author contributed to *Stirring Prose* in a personal, distinctive way. Billy Porterfield reveals his fantasies about a voluptuous restaurant owner and a dream-enhanced recipe for game hen fricassee with a French New Guinea twist. Sunny Nash gives us an enticing snapshot of her grandmother Bigmama and divulges the secret to beautiful skin with Bigmama's Mysterious Rose Water Splash. And John Erickson shares his Bachelor Cowboy's Delight, the meal he eats over and over when his wife and children are out of town and which consists of steak, lettuce salad, and green peas. Robert Flynn, Liz Carpenter, Elmer Kelton, and thirty-three others also share their recipes and food stories. Some of these recipes, such as Dr. Larry L. King's Asian Flu Hot Liquid Life Saver, almost beg for a "do not try this at home" warning. Others, such as Cindy Bonner's Bohemian Kolaches and Clay Reynolds's Tex Mex Breakfast, will inspire readers to start cooking. All are enticing for their tasty prose. Each recipe is accompanied by a photograph, a publication list, and an engaging, personalized introduction by Douglas herself, a fine writer, funny, and charming. Although not an exhaustive collection of Texas writers, *Stirring Prose Cooking with Texas Authors* is a tantalizing peek at thirty-nine talented Texas writers and their work. *Tales of Texas Cooking*, Frances Brannen Vick, 2015-12-15. According to Renaissance woman and Pepper Lady Jean Andrews, although food is eaten as a response to hunger, it is much more than filling one's stomach. It also provides emotional fulfillment. This is borne out by the joy many of us feel as a family when we get in the kitchen and cook together and then share in our labors at the dinner table. Food is comfort, yet it is also political and contested because we often eat what is available and familiar and allowed. Texas is fortunate in having a bountiful supply of ethnic groups influencing its foodways, and Texas food is the perfect metaphor for the blending of diverse cultures and native resources. Food is a symbol of our success and our communion, and whenever possible, Texans tend to do food in a big way. This latest publication from the Texas Folklore Society contains stories and more than 120 recipes from long ago and just yesterday, organized by the 10 vegetation regions of the state. Herein you'll find Senator Kay Bailey Hutchinson's Family Cake, memories of beef jerky and sassafras tea from John Erickson, Hank the Cowdog fame, Sam Houston's barbecue sauce, and stories and recipes from Roy Bedichek, Bob Compton, J. Frank Dobie, Bob Flynn, Jean Flynn, Leon Hale, Elmer Kelton, Gary Lavergne, James Ward Lee, Jane Monday, Joyce Roach, Ellen Temple, Walter Prescott Webb, and Jane Roberts Wood. There is something for the cook as well as for the Texan with a raft of takeaway menus on their refrigerator. **John Graves, Writer** Mark Busby, Terrell Dixon, 2009-12-03. Runner-up, Violet Crown Award, Writer's League of Texas, 2008. Renowned for *Goodbye to a*

River his now classic meditation on the natural and human history of Texas as well as for his masterful ability as a prose stylist John Graves has become the dean of Texas letters for a legion of admiring readers and fellow writers Yet apart from his own largely autobiographical works including *Hard Scrabble From a Limestone Ledge* and *Myself and Strangers* surprisingly little has been written about Graves s life or his work John Graves Writer seeks to fill that gap with interviews appreciations and critical essays that offer many new insights into the man himself as well as the themes and concerns that animate his writing The volume opens with the transcript of a revealing often humorous symposium session in which Graves responds to comments and stories from his old friend Sam Hynes his former student and contemporary art critic Dave Hickey and co editor Mark Busby Following this is a more formal interview of Graves by Dave Hamrick who draws the author out on issues relating to each of his major works John Graves s friends Bill Wittliff Rick Bass Bill Broyles John R Erickson Bill Harvey and James Ward Lee speak to the powerful influence that Graves has had on fellow writers In addition to these personal observations nine scholars analyze essential aspects of Graves s work These include the place of *Goodbye to a River* within environmental literature and how its writing was a rite of passage for its author Graves as a prose stylist and a literary rather than polemical writer the ways in which Graves s major works present different aspects of a single narrative about our relationship to the land the question of gender in Graves s work and Graves s sometimes contentious relationship with *Texas Monthly* magazine Mark Busby introduces the volume with a critical overview of Graves s life and work and Don Graham concludes it with a discussion of Graves s reception and literary reputation A bibliography of works by and about Graves rounds out the book John Graves Writer confirms Graves s stature not only within Texas letters but also within American environmental writing where Graves deserves to be more widely known

[Conversations with Mexican American Writers](#) Elisabeth Mermann-Jozwiak,Nancy Sullivan,2009-01-02 Through a series of interviews with nine acclaimed authors *Conversations with Mexican American Writers* explores the languages and literature of the US Mexico borderlands as a confluence of social cultural historical and political forces In their conversations these authors discuss their linguistic choices within the context of language policies and language attitudes in the United States as well as the East Coast publishing industry s mandates The interviews reveal the cultural and geographical marginalization endured by Mexican American writers whose voices are muted because they produce literature from the remotest parts of the country and about people on the social fringes Out of these interviews emerges a portrait of the borderlands as a dynamic space of international exchange one that is situated and can only be understood fully within a global context
