*Walking on Top of the Ground* James Gray,2023-07-25 This book is the product of the author telling and hearing stories over a period of 80 plus years Many of these stories are funny some are sad and some are true Many of these stories are amusing and will take you back to a time when life was difficult yet not complicated The purpose of the book is strictly to entertain the reader not to convey facts or give instructions *Stone* ,1929 *Dublin Voices* Kevin C. Kearns,2001-09-06 For nearly thirty years Kevin C Kearns collected the memories and recollections of Dubliners on tape These interviews have formed the basis of an extraordinary body of work one whose subjects have included the life of the Dublin pub and the tenement house In this ambitious book he considers their contributions in aggregate drawing on the voices of ordinary Dubliners to build an oral folk history of the city in the twentieth century Firemen engine drivers bell ringers gatekeepers cinema ushers gravediggers dockers factory workers butchers hatters booksellers and many more all contribute their own words to this epic portrait of Dublin city life in the turbulent decades separating the Victorian and modern eras In *Dublin Voices* the words of ordinary Dubliners can be heard as they recall their lives and times Lucid witty and compelling these oral narratives bring the city to life in a manner that conventional histories simply cannot match *The nine* Emily M.
