Stone Pony

Joseph G. Bilby

Stone Pony:

Asbury Park Reborn Joseph G. Bilby, 2025-01-22 Asbury Park's diverse array of landmarks creates an unforgettable impression of this legendary seaside city. They tell the story of its past, present, and even future. The elegant Art Deco inspired Convention Hall captures the resort's glittering heyday in the 1920s and 30s, while structures like the Upstage seem to echo with the voices of aspiring musicians like Bruce Springsteen when they played at intimate venues defining Asbury's world-renowned music scene. As the city forges ahead with ambitious redevelopment plans, many neglected buildings have been rehabilitated, but others continue to deteriorate despite a groundswell of public opposition. From opulent movie houses to down and dirty rock and roll clubs, these landmarks trace the evolution of Asbury Park from a tiny nineteenth-century resort town to the world-famous playground of today.

Garbage Boy Michael McMullen, 2023-12-07 Garbage Boy, a.k.a. Scarface, a.k.a. William has had it rough his entire life. Facing off against a deadbeat dad and his mom's abusive boyfriend, he's had to fight every step of the way just to survive. Not only that, his family's low social status makes him an object of ridicule and abuse among his peers and the community at large. That all begins to change when Garbage Boy meets up with Mister and Stone Pony, two mysterious men who enlist his aid in their growing sanitation enterprise. Who would have thought picking up garbage would be the road to redemption, never mind riches. But not even that comes easily for Garbage Boy. Although Garbage Boy's situation improves remarkably at first, the deeper his involvement with Mister and Stone Pony, the more complicated his life becomes to the point he risks losing everything he's fought so hard to gain. The book implies an ethical question: Does a wrong become right if you have been wronged all along?

King of the Delta Blues Gayle Dean Wardlow, Stephen Calt, Edward Komara, 2022-10-18 Charlie Patton (1891-1934) was born in central Mississippi. By 1908 he had begun his performing career, initially at small house parties, then at barrelhouses and other settings that could accommodate a hundred people or more. Until his death in 1934, Patton was a top draw for the numerous African Americans then living and working in the Delta. In 1929 and 1930 he recorded several hits for Paramount Records, on the basis of which he was sought by the American Record Company in January 1934 for what would be his last recordings. He was immensely influential to other bluesmen, including Tommy Johnson, Kid Bailey, Robert Johnson, and Howlin' Wolf. Since 1991, his collected recordings have been available to the wider public. This book was previously published in 1988 under the authorship of Wardlow (b. 1940) and Calt (b. 1946). Its sole printing of 3,000 paperback copies sold out within seven years, and since 1988, additional recordings of Patton and his associates have been recovered and widely reissued to the public, particularly on Jack White's Third Man Records. Komara (b. 1966) has updated Wardlow and Calt's original edition and has written a new afterword discussing a resurgence of Delta blues style rock and the continuing influence of Patton and the music genre he helped pioneer.
