

# The Three Little Pigs

Once upon a time, there were three little pigs who wanted to build their own houses. The first pig built his house with straw, the second pig built his house with sticks, and the third pig built his house with bricks. One day, a big, bad wolf came to the first pig's house and said, "Little pig, little pig, let me in!" But the pig refused, and the wolf huffed and puffed and blew the house down. The second pig's house was next, and the wolf said, "Little pig, little pig, let me in!" But the pig also refused, and the wolf huffed and puffed and blew the house down. Finally, the wolf came to the third pig's house and said, "Little pig, little pig, let me in!" But the pig refused, and the wolf huffed and puffed and blew as hard as he could, but the house didn't fall down. The wolf realized that the third pig's house was built with bricks, and he couldn't blow it down. He tried to climb down the chimney, but the clever pig had a pot of boiling water waiting for him. The wolf learned an important lesson that day, that hard work and perseverance pay off. The three little pigs also learned that it's important to build strong and sturdy houses.
