Can Your Relationship Be Saved? Michael S. Broder, 2002 The title of this book captures one of the most commonly explored issues that I have dealt with in my office over the past three decades as a practicing clinical psychologist Thus begins Dr Broder s wise and compassionate guide to assessing a faltering love relationship and answering the fundamental question asked by the book s title Broder addresses individuals and couples in marriages or any other type of love relationship or romance long or short term and of any sexual orientation His 40 item Can Your Relationship Be Saved Inventory asks the rights questions But readers are not left there The chapters that follow gently guide them in exploration of what is likely to happen if What if I go What if I stay Readers will find direction in answering those questions for themselves and the information and strategies to help them act on their decisions Can Your Relationship Be Saved speaks in a warm unabashedly upbeat and optimistic manner directly to the painful ambivalence that results when you are unable to determine how you really feel Broder s guidance is packed with practical road maps and direction finders avoiding glibness cliches pat answers or someone else s value judgments that will rarely hold up for you in the end *The Dogs of My Life* Karen Cobbs, 2016-10-05 The Dogs of My Life is a collection of stories about just that the dogs of my life I grew up with dogs and believe I learned and am still learning many lessons from them Over the years I have thought about these lessons and what they teach me about the Kingdom of God Isn t it just like God to use the simplest analogies parables to show us the greatest truths Each day I marvel at the things my dogs do that either teach me or remind me of something God would have me remember or know As you read these stories I hope you too will begin to look at your pets in a whole new way Look at them as teachers You will be surprised at what you learn Stormy's Temptation Sharon Foster, 1990 **A Journey to Self-Love** White Gerbra, 2016-09-14 A Journey to Self Love is a love story about a very sensitive girl Sylvia who grew up feeling lost and unloved by her parents while also struggling to cope with their abusive relationship at home In her teenage years she meets Lesley the love of her life who soon just seems to mirror back how she really feels about love and herself Her life then turns into a rollercoaster of mixed emotions love adultery and near death experiences Read how she grew strong from a life where at some point death seemed as her only option This book is full of life lessons from growing out of abusive relationships into stronger self confidence inner peace and self love all based on a true story **Records & Briefs New York State Appellate Division , California. Benze,2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband's casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office's closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her detractors claimed Benze reveals how living on a public stage exacerbated the problems in the Reagans relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan's post Washington life including her vigilant care of the president as he struggled with Alzheimer's disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife glided elegantly at his side as an accomplished co star Benze's book strikes a balance between the images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives **Court of Appeals: New York: 83** Court of Appeals,1924
