The Story Bible (Classic Reprint) Margaret E. Sangster, 2017-11-30 Excerpt from The Story Bible

Writing the Story Bible it has been my aim so to tell again the tales from Holy Writ familiar through the centuries that our children of today may read and love them The Bible is a treasury of stories vivid dramatic and full of charm Each story has a hero or a heroine whose name is a household word Whose feats of valor or sacrifices of love stimulate us as they have stimulated those who have gone before to live noble lives to do justly love mercy and walk humbly before God I have disengaged each story from surrounding passages which treat of other affairs so that the story itself may stand out alone like a gem or a picture I have arranged the stories in their accustomed Biblical sequence so that they follow the order of the books in the Old and New Testaments and may later introduce their readers to the Bible in whatever version they prefer These stories have been written with great simplicity that mothers may read them to little children and older children read them with pleasure as they would read a favorite story book People who fancy that children do not enjoy good literature are mistaken Much depends on the early choice for them of what is best Give a child the best and he will not be contented with the worst The child delights in brave deeds in romance in chivalry in splendid diction and poetic style Imaginative literature fascinates children They cannot have too much of it from the fairy and folk lore of every nation to the beautiful truth lore

scattered for them over the pages of our English Bible Any group of listening children will hang eagerly on the story of Noah of Abraham of Joseph of David of Daniel and of the Child who came to earth in the fullness of time when the Star led the way to the Manger All these wondrous tales and many more stories are in this volume I hope it may find its way wherever children meet around the hearth and that mothers may accept its help in the training of their little ones For Sunday afternoons and daily reading and for quiet hours with father and mother the Story Bible will prove a standby themelody of its pages drawn from the one Book that never goes out of fashion and never fails to carry a heavenly message to old and young About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Class List* Tufts Library, 1900      Lectionary Story Bible Year B Ralph Milton, 2008. In this second volume of the Lectionary Story Bible series, author Ralph Milton once again brings his enormous talent as storyteller to the task of retelling biblical stories. Based on the bestselling Family Story Bible, the Lectionary Story Bible Year B includes many new and wonderfully engaging stories from both the Hebrew and New Testament scriptures. At least one, but usually two stories from the lections are included for each Sunday of the church year, making Lectionary Story Bible Year B a complete lectionary resource for Christian educators, camp leaders, worship leaders, and families who want to share their faith at home. The book also includes a scripture index of the stories included in the collection for non-lectionary settings and uses Adept at handling even difficult material. Ralph Milton writes stories that are positive and life-affirming, use inclusive language, and portray a God of love to children and adults alike. Margaret Kyle has created many new illustrations brimming with the energy, curiosity, and joy that so characterizes her work. Lectionary Story Bible Year B is the second in a three-volume series that will cover all three years of the Revised Common Lectionary. The complete set will be the largest collection of Bible stories for children ever published and an indispensable resource for anyone who wants to share faith stories with children and make the Bible relevant to young people today.
