SmackDown, Shakespeare & Super Sunday M. J. O' Dou, 2018-07-16 First collection with idea appearing in my mind as if by magic *And so It Is!* Albert F. Schmid, 2012-05-02 *And So It Is* presents a collection of sermons memories and short stories written by Albert Schmid displaced midwesterner and recently ordained minister of the First Baptist Church of East Greenwich Rhode Island The central theme of Pastor Schmid's first book is to remind us that God is love a fact that we certainly need to acknowledge This inspiring volume is a repository of memories a cornucopia of short stories poems sermons and devotionals that remind us that we are Christ's ambassadors and God expects each of us to live and act as though He is making His appeal through us And how do we do that Remember the best sermons are lived not preached Because he visits nursing homes and shut ins as part of his ministry several of the stories he shares here are from the devotionals he uses during those visits Whether talking about the meaning of Advent or recounting the story of Jabez Pastor Schmid inspires with his sermons and stories He makes them personal and anyone may be enriched by his interpretations of these timeless stories and Christian traditions *And So It Is* seeks to teach as well as inspire all who discover the treasures included within **The**

Reluctant Jew Michael Grossman, 2007-03-02 Even if you are agnostic or hard core atheist there is a dazzling thought expanding bright side to religion you may have overlooked Living a spiritual life in the tradition of the Jewish faith does not mean mindless adherence to outdated dogma Judaism instead can be a source of exhilarating wonder an inspiration to justice and an impetus to ever increasing knowledge Nowadays even many who profess to be the most pious among us realize that when asked What is God they must answer logically even scientifically to be persuasive They're aware that any religion to be convincing other than to die hard adherents can not be at odds with reason and blindly insist only it speaks the truth The field therefore is wide open Each of us can attempt to journey towards a concept of God that makes sense celebrates the discoveries of science and will hopefully imbue the traveler with wonderment at the astonishing beauty in the world that too often lays hidden from us Join Michael Grossman in his journey to the heart of Judaism which places much more emphasis on what people do than on what they believe and in the process an understanding of all the world's great faiths A
