Pain-Free Childbirth Nissa Andrews,2021-05 It s true I ve had 4 babies naturally without pain and not one tear four pregnancies without morning sickness and complications I ve had four wonderful postpartum experiences The great news is that this same experience is available to every woman through Jesus Before I became pregnant with my first I had a preconceived notion that labor pretty much sucks The world says it s going to be awful and extremely painful Writhing in pain and begging for drugs is what friends family movies and social media tell us I heard it all and believed that was the way it s supposed to be This book s purpose is to take you through my journey of breaking free from the world system of what birthing looks like and exchange it for the Kingdom His righteousness and what God intended for all women to experience This book has scriptures that will open your eyes to blessings you may have never realized are yours to receive Many people have said to me that I m either lying or have a special superhuman gift The truth is I do have a special superhuman gift and His name is Jesus If you have Jesus I am no different than you We have the same supernatural abilities and anointing for we have the same anointed one in us If you do not know Jesus yet I pray that my testimony will open your heart to seek Him and find the truth      **History of the Christian Church** Wilhelm Moeller,1900      **Intercessory Prayer Study Guide** Dutch Sheets,1996 Explains prayer with wisdom and humor to inspire and encourage prayer      **Miracle Babies** ,2003      Sex is Never an Emergency Elaine Catherine Pierson,1973
