**Supper with the Crippens** David James Smith, 2010-11-25 Edwardian London in 1910 the notorious tale of Dr Crippen and Ethel Le Neve re investigated by a prizewinning journalist At a time when Edwardian Britain seemed a golden place basking in its imperial glory Dr Hawley Harvey Crippen and his wife Belle lived among the suburban villas of North London renting a house at 39 Hilldrop Crescent After supper on 31 January 1910 their friends went home and Crippen killed Belle with poison dismembered her body and buried some of her remains beneath the brick floor of the coal cellar Crippen never admitted killing his wife and took the secrets of the crime with him when he was hanged following his conviction for murder It is assumed that Crippen killed for the love of his mistress Ethel le Neve They began living together as man and wife but under intense suspicion they fled disguised as father and son The chase indeed everything about the murder was reported in fine detail in Britain in America and the rest of the western world Crippen was finally arrested and with Ethel was brought back to England for trial David James Smith has investigated afresh this celebrated murder case and his researches have uncovered unexpected and startling information about Chamber of Horrors stalwart Dr Crippen Belle and Ethel *Supper with the Crippens* David James Smith, 2005

**One Morning In Sarajevo** David James Smith, 2010-12-23 Sarajevo 28 June 1914 The story of the assassination that changed the world A historical account of the assassination of Archduke Franz Ferdinand Using newly available sources and older material David James Smith brilliantly reinvestigates and reconstructs the events which subsequently determined the shape of the twentieth century Young Gavrilo Princip arrived at the Vlainic pastry shop in Sarajevo in Bosnia Herzegovina on the morning of 28 June 1914 He was greeted by his fellow conspirators in the plot to kill Archduke Franz Ferdinand The Archduke next in line to succeed as Emperor of Austria was beginning a state visit to Sarajevo later that morning Ferdinand was not a very popular character widely thought of as bad tempered and arrogant and perhaps even deranged To the young students he embodied everything they loathed about imperial oppression They planned to kill him at about 11 o'clock as he paraded down Appel Quay to the town hall in his open top car What happened in those few hours leading as it did to the First and Second World Wars is as compelling as any thriller Crippen Roger Dalrymple, 2020 How did the case of the mild mannered murderer Hawley Harvey Crippen come to have such an enduring cultural resonance Almost as notorious as Jack the Ripper US citizen and homeopath Dr Hawley Harvey Crippen was forty eight years old when he was hanged in London in November 1910 for the murder and mutilation of his wife When Cora Crippen vanished in February 1910 he claimed that she had returned to the United States Yet the discovery of a dismembered body buried beneath the coal cellar of their house and Crippen's attempt to flee to Canada with his cross dressed mistress exposed and convicted him The case aroused enormous public interest at the time and it has remained in the popular imagination ever since memorialised in crime history fiction film and even musical theatre As late as 2007 some American academics were claiming that the dead body was not Cora's and that Crippen was in fact innocent This book aims

to account for the endurance of the Dr Crippen murder case in the cultural imagination Highlighting the case s disruptive blending of cultural traditions it discusses historical precedents analyses diverse literary traditions looks at broadside balladry and music hall repertoire and addresses queer theory discourses The book shows how the case part throwback to earlier crime sensations and part presage of a new understanding of criminality represents a watershed in the representation of criminality and played a distinctive role in the development of crime fiction tion Highlighting the case s disruptive blending of cultural traditions it discusses historical precedents analyses diverse literary traditions looks at broadside balladry and music hall repertoire and addresses queer theory discourses The book shows how the case part throwback to earlier crime sensations and part presage of a new understanding of criminality represents a watershed in the representation of criminality and played a distinctive role in the development of crime fiction tion Highlighting the case s disruptive blending of cultural traditions it discusses historical precedents analyses diverse literary traditions looks at broadside balladry and music hall repertoire and addresses queer theory discourses The book shows how the case part throwback to earlier crime sensations and part presage of a new understanding of criminality represents a watershed in the representation of criminality and played a distinctive role in the development of crime fiction tion Highlighting the case s disruptive blending of cultural traditions it discusses historical precedents analyses diverse literary traditions looks at broadside balladry and music hall repertoire and addresses queer theory discourses The book shows how the case part throwback to earlier crime sensations and part presage of a new understanding of criminality represents a watershed in the representation of criminality and played a distinctive role in the development of crime fiction
