The Book of Snobs William Makepeace Thackeray,2014-08-30 The necessity of a work on Snobs demonstrated from History and proved by felicitous illustrations I

am the individual destined to write that work My vocation is announced in terms of great eloquence I show that the world has been gradually preparing itself for the WORK and the MAN Snobs are to be studied like other objects of Natural Science and are a part of the Beautiful with a large B They pervade all classes Affecting instance of Colonel Snobley We have all read a statement the authenticity of which I take leave to doubt entirely for upon what calculations I should like to know is it founded we have all I say been favoured by perusing a remark that when the times and necessities of the world call for a Man that individual is found Thus at the French Revolution which the reader will be pleased to have introduced so early when it was requisite to administer a corrective dose to the nation Robespierre was found a most foul and nauseous dose indeed and swallowed eagerly by the patient greatly to the latter s ultimate advantage thus when it became necessary to kick John Bull out of America Mr Washington stepped forward and performed that job to satisfaction thus when the Earl of Aldborough was unwell Professor Holloway appeared with his pills and cured his lordship as per advertisement Numberless instances might be adduced to show that when a nation is in great want the relief is at hand just as in the Pantomime that microcosm where when CLOWN wants anything a warming pan a pump handle a goose or a lady s tippet a fellow comes sauntering out from behind the side scenes with the very article in question
