Richard Henry Backwell

The Christianity Of Jesus:

Jesus and the Gospel James Denney, 1909 **The Christianity of Jesus Christ** Mark Guy Pearse, 2023-07-18 In this thought provoking book the author challenges readers to consider the true meaning of Christianity as exemplified by the life of Jesus Christ Drawing on biblical texts and personal anecdotes he argues that many Christians have lost sight of the fundamental principles of their faith Whether you re a believer or a skeptic this book will inspire you to reflect on the teachings of Jesus and what they mean for our modern world This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Taming of Jesus by Christianity** Wayne W. Mahan, 2001 In *The Taming of Jesus by Christianity* Wayne Mahan peels back the layers of Christianity to provide his readers with a dramatic account of how the original radical teachings of Jesus were domesticated and transformed into a world changing religion Mahan s book is written for a modern public that has become increasingly uncomfortable with the idea of formal institutionalized religion He demonstrates that Christianity has at its core Jesus demand of love embodied in the Sermon on the Mount and that this demand was simply too radical to form a viable religion Mahan walks the reader through the New Testament showing how this radical demand of love stands at the center of the synoptic gospels and how it is systematically transformed by Paul and the Gospel of John into a faith in Jesus as atoning sacrifice and God Man that is formalized and institutionalized by the Council of Nicaea In a surprising and compelling presentation Mahan argues that this transformation of the Christian message was a necessary betrayal that allowed the original radical message of Jesus to be carried within a palatable host religion rather than be rejected and abandoned two millennia ago *The Taming of Jesus* combines a succinct survey of the New Testament with a pointed examination of the central ideas of the Christian faith **The Christianity of Jesus** Richard Henry Backwell, 1972 [Jesus Christ and the Christian Character](#) Francis Greenwood Peabody, 1905 [The Christianity of Jesus](#) R. Understanding Jesus Joe Amaral, 2011-09-10 Modern day Christians often bring their own presuppositions and assumptions to the reading of the Bible not realizing how deeply their understanding of Christ s life and teachings is affected by a 21st century worldview In *Understanding Jesus* author Joe Amaral delves deep into Jewish history societal mores and cultural traditions closing the gap created by geographical distance and over two thousand years of history Using a chronological approach to the life of Christ he guides the reader through significant events such as Jesus birth baptism and crucifixion pointing out illuminating details that that the Western mind would normally miss Amaral s premise is that to

understand Jesus we must understand the time and place in which he was born the background from which he drew his illustrations and the audience he spoke to Throughout the book he explores specific terms places and events for their significance and shows how they add richness and meaning to the text Topics include the connection between Jesus and John the Baptist the annual Feasts and why they are important to modern Christianity Jewish customs such as foot washing clean and unclean foods paying tribute to political governments and the significance of various miracles In *Understanding Jesus* Amaral draws back the curtain on a way of life that existed during the reign of the Caesars and in doing so reveals truths about the way we live more than two thousand years later half a world away *Jesus: Center of Christianity* Brennan R.
