Dr. Owen, and Mr. Baxter Henry Scudder, 1761 *The Christian's Daily Walk ... Published by H[enry] O[asland]*. Henry OASLAND, 1660* **The Christian Life** Witness Lee, The Christian life is mysterious and to know and live the Christian life is not an easy thing In this book Witness Lee presents a deeper understanding of the Christian life He begins by defining the Christian life as both the life in which the believers of Christ live Christ and magnify Christ and also the life in which the Christians live Christ and magnify Him corporately in their locality as a local church to be a local expression of Christ as a part of the universal Body of Christ In the following chapters Lee presents the contents of the Christian life and helps the reader to experience the all inclusive Spirit in order to live the proper Christian life Christians Daily Walk, in Holy Security and Peace, 1690 *The Christian's daily walk with God; or, The upright man's labour under the yoke of Christ* Christian, 1750 The Christian's Daily Walk Henry Scudder, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1826 edition Excerpt abstain from food longer than we can who live in ay colder but I think the body cannot usually be sufficiently afflicted through want of food in less time than one day Thus I have proved religious fasting to be a Christian duty And have shown what it is who should and may fast when and how long It remainueth that I show you how you may keep a fast acceptable to God and profitable to yourself which is the principal thing to be regarded in a fast And this do I the rather because many well affected Christians have professed that they would gladly set about this duty but ingenuously confess that they know not how to do it and in particular how to be intent and spiritually employed for want of matter for a whole day together But of this in the next section II Directions for the keeping a Religious Fast By way of preparation to a religious fast do thus Take but a moderate supper the night before for if a man glut himself over night he will be more unfit for the duty of humiliation the next day and it differeth in effect little from breaking of fast next morning When you commend yourself to God alone by prayer that night as every good Christian doth then set yourself in a special manner to seek the Lord as the saints of God in the beginning of their fasts have done proposing to yourself the end of your intended fast remembering this that if the chief occasion and end be your own private good that you forget not others nor the public or if it be the public yet mind also your own private for until you have renewed your own peace with God your fasting and praying will prevail little for the public And God having joined the public with our private good in prayer we must not disjoin them in our fasting *The Christians Daily Walk, in Holy Security and Peace.
